NINETEENSIXTYSEVEN

KISKI AREA SENIOR HIGH SCHOOL • LEECHBURG, PENNSYLVANIA

VOLUME V

KISKI AREA SENIOR HIGH SCHOOL

R. D. 3 - - BOX 278

LEECHBURG, PENNSYLVANIA - 15656

OFFICE OF THE PRINCIPAL

TO THE KISKI AREA STUDENT BODY:

We are always on the move at Kiski - to bigger and better things. With the vivid memory of Forbes Field and our 1966 W.P.I.A.L. Baseball Championship Team, we eagerly started another school year at the Big "K". o

The 1966-67 school term was not just another year. It marked the beginning of a new school merger, which now included Washington Township. We welcomed the students from Washington Township to our school, and their presence was soon felt. Not only did they receive honors, but they brought honor to their new Alma Mater.

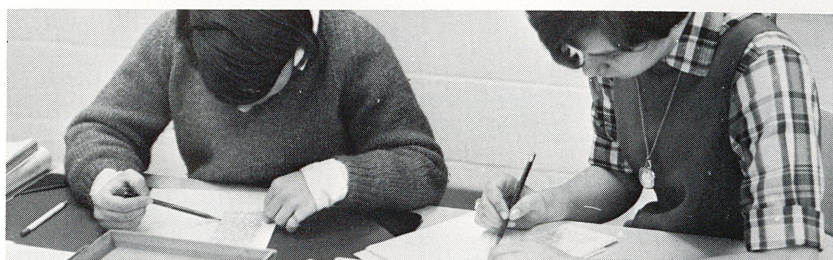

The student body, now numbering more than 1500, had an eventful year. The CAMPUS has captured and preserved the most cherished emotions and activities during the school year and recorded them for us in a pictorial review.

KISKI AREA HIGH SCHOOL is proud of you - you who have made the school and put life into her corridors. May you always be proud of KISKI !

William K. Miller

FACULTY	4
CLASSES	36
STUDENT LIFE	96
ORGANIZATIONS	112
ATHLETICS	164
ADVERTISEMENTS	190

ADMINISTRATION BUILDING

KISKI

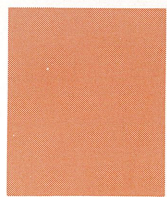

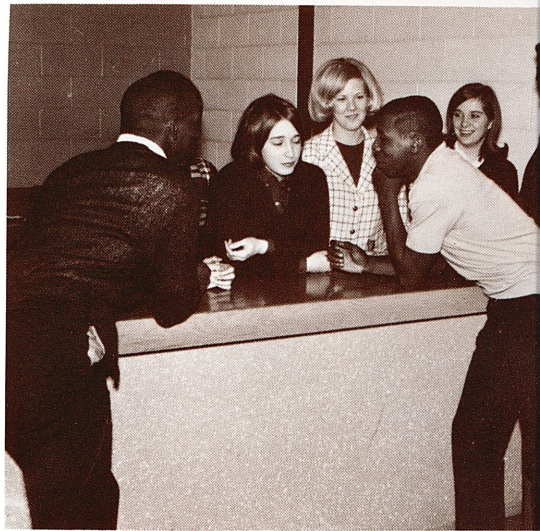

Capable leaders guiding our footsteps . . .
the sympathy and patience of counselors . . .
the soothing smile of Mrs. Martinisko . . .
participating in Mr. Miller's enrichment classes . . .

KISKI

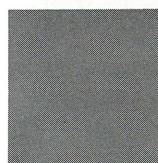

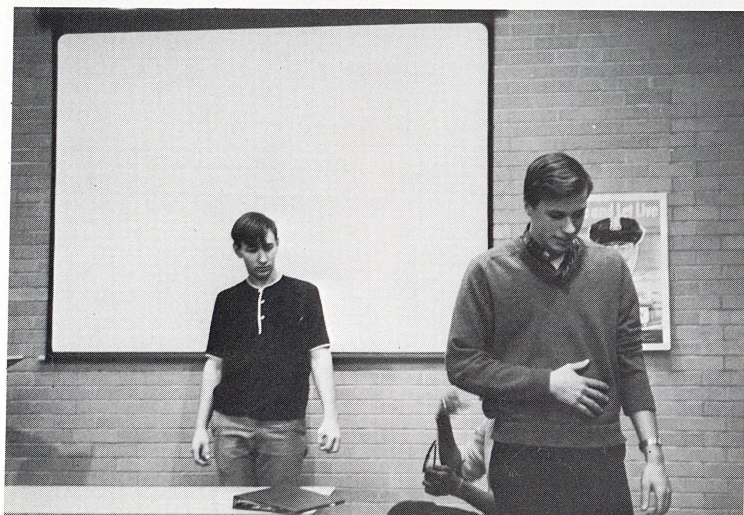

Rushing footsteps . . .
 sneaking out of place in the cafeteria line,
 decorating for the "Blue Noel" and "Arabian Nights,"
 meeting that special guy at the after-game dance,
 strolling down the hall munching a "Cap'n Crunch,"
 trading the answers for next period's tests,
 remembering all the fun, laughter, and gossip shared
 within these walls . . .

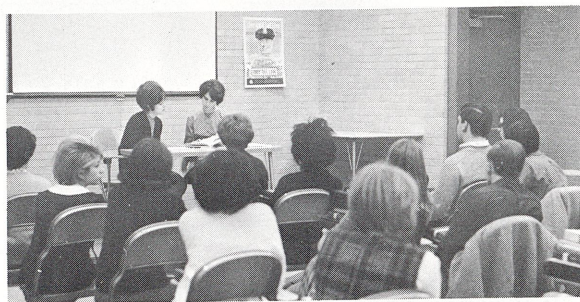

ARTS BUILDING

KISKI

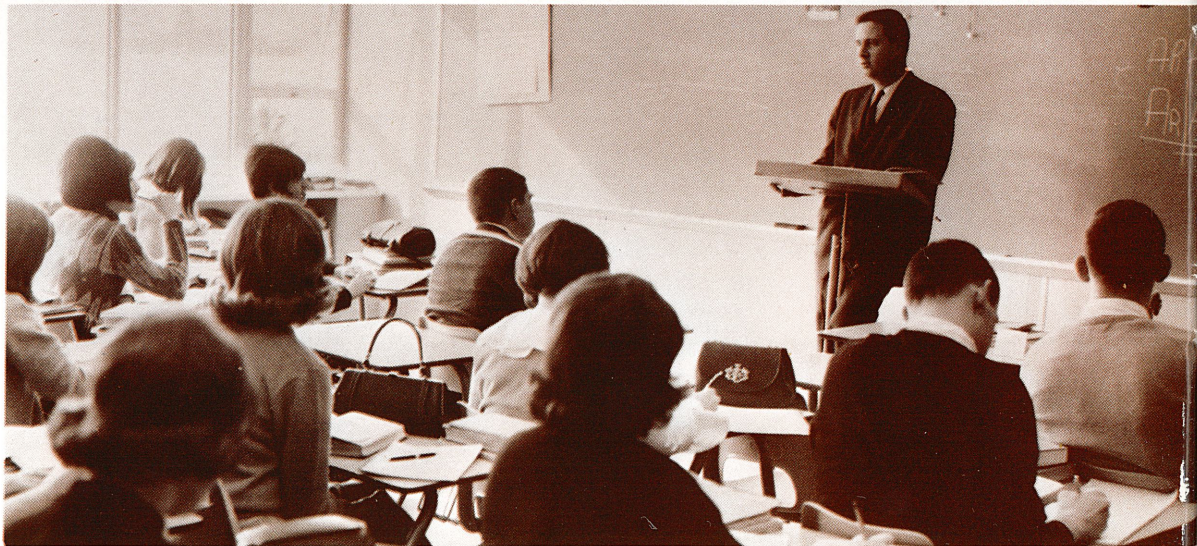

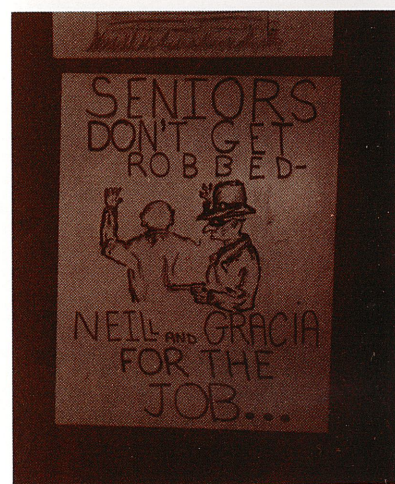

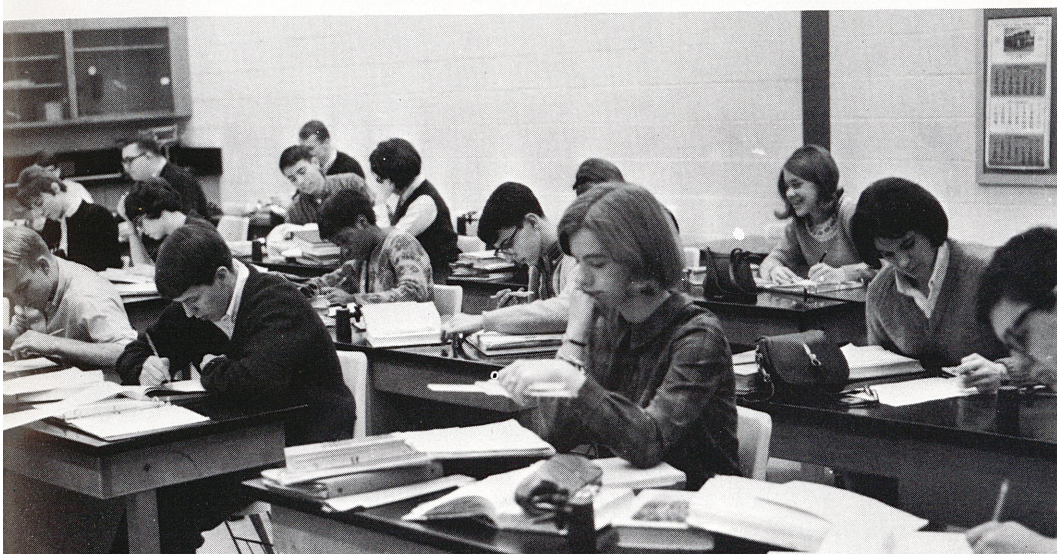

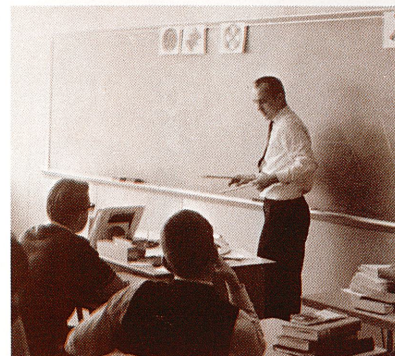

Footsteps echo for rehearsals at 3:05 . . .
 tantalizing aromas escaping the Home Ec Room,
 experiencing the tension of opening night,
 developing skill and patience in Drivers' Ed.,
 resounding . . . a note of laughter, a note of joy,
 humming sounds of future craftsmen,
 . . . from the hands of the novice come works of beauty . . .

SENIOR BUILDING

KISKI

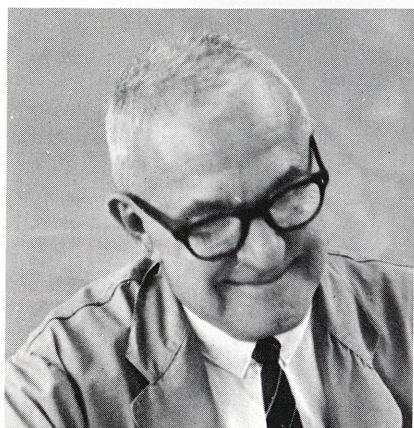

Aspiring footsteps seeking the future . . .
 awaiting college admission anxiously,
 deliberating . . . "to be or not to be"
 struggling with senior themes,
 talking in the halls—always late for class,
 laughing at Mr. Nick and Fiasco Fran,
 . . . memories echo as footsteps fade . . .

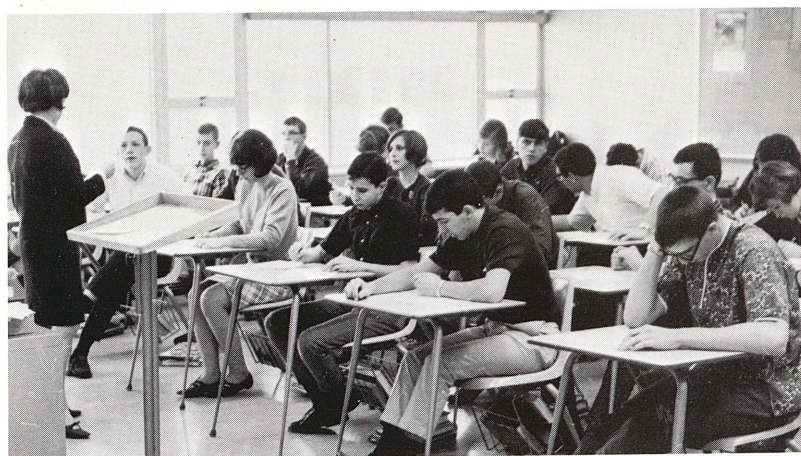

JUNIOR BUILDING

KISKI

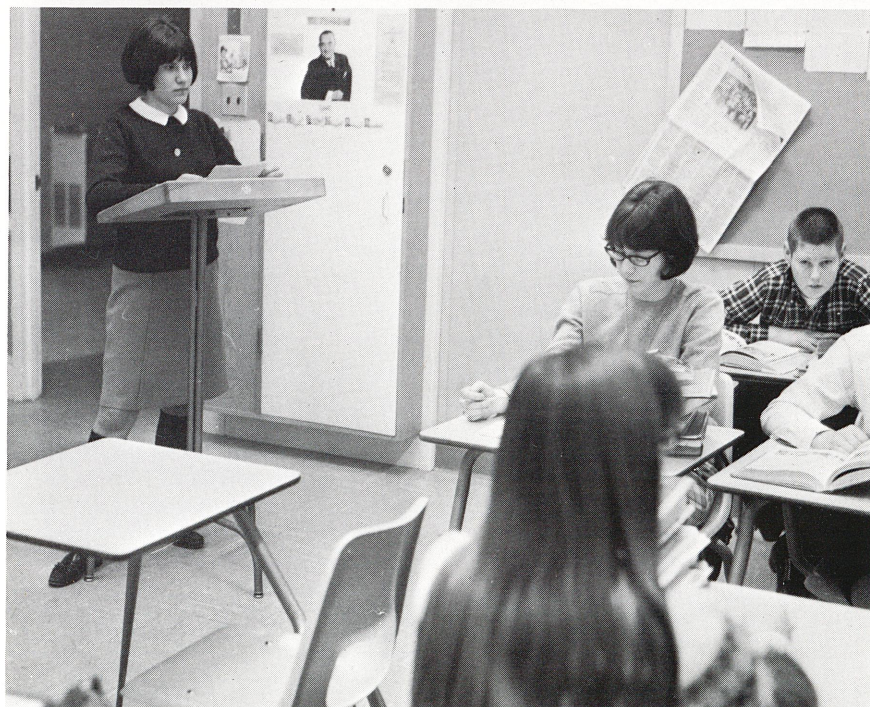

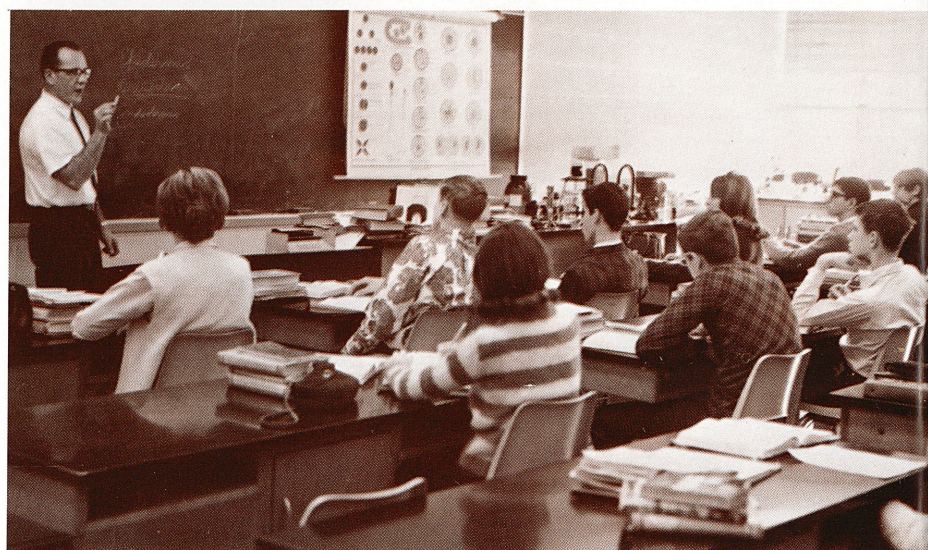

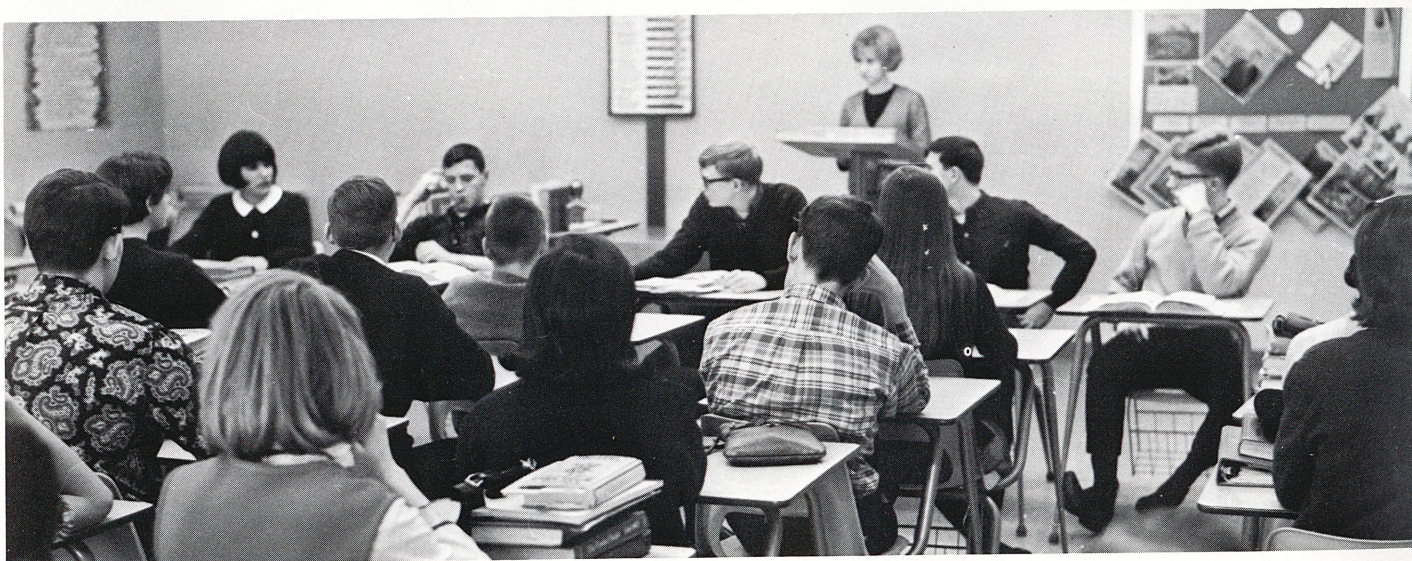

Eager footsteps rushing through the halls . . .
 escaping the "Fearful Foursome",
 seeking one of Mr. Bart's lollipops,
 gasping from the fires and fumes in the chemistry rooms,
 meeting Santa Claus (alias Diane Pinker),
 observing Claudia Coleman's aged banana,
 making history with the occurrence of the one and only
 flood in the Boys' Room,
 and everything else that characterizes the Jolly Jolly Juniors . . .

SOPHOMORE BUILDING

KISKI

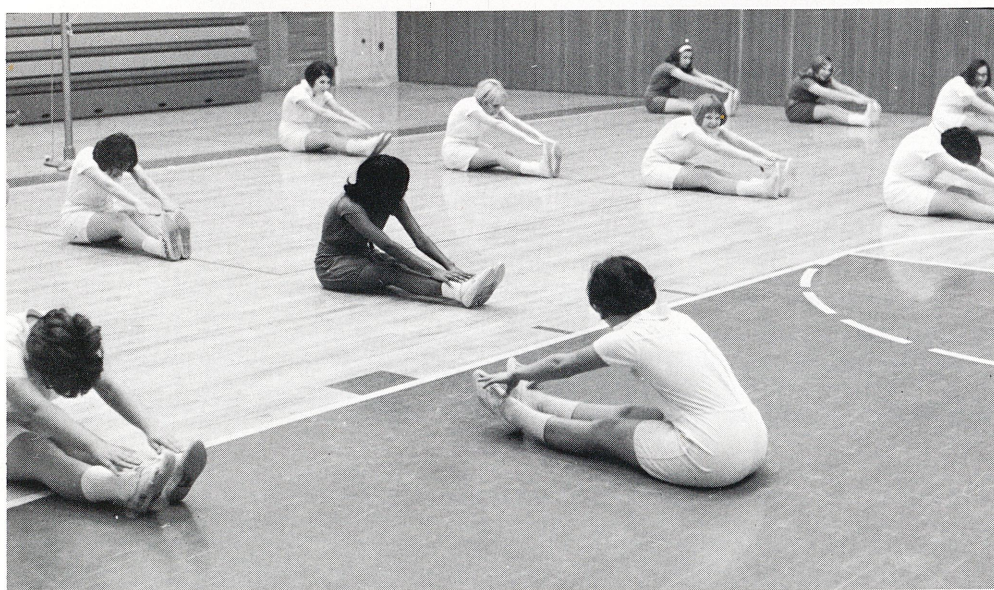

Horizons brighten as new footsteps arrive . . .
 running from "Lover" Morea and his mistletoe,
 dissecting all types of interesting creatures,
 battling with a stubborn locker,
 exploring the wonders of geometry with Mrs. Grossheim,
 receiving constructive and *destructive* criticism from the
 upperclassmen,
 and so goes the lives of the Itty Bitty Sophomores . . .

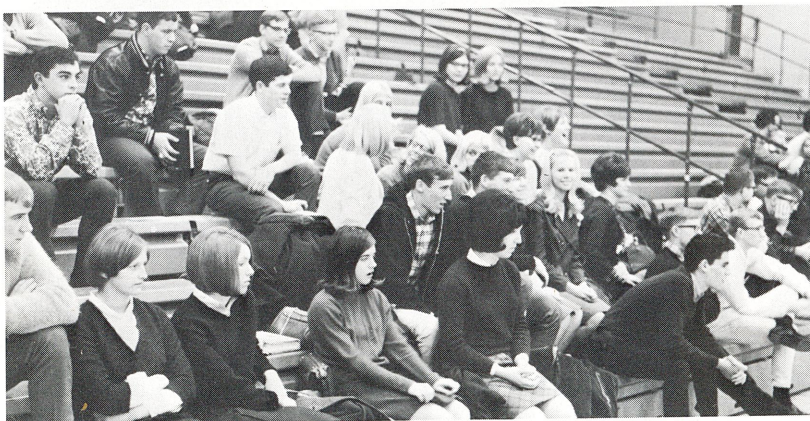

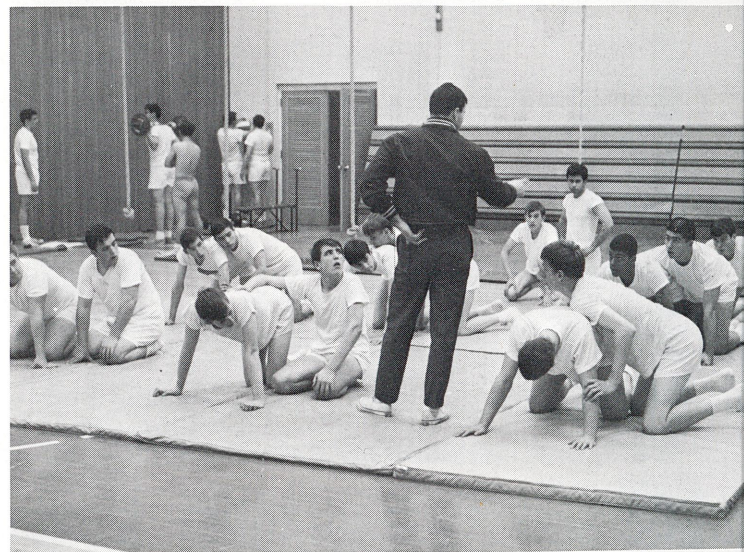

GYMNASIUM BUILDING

KISKI

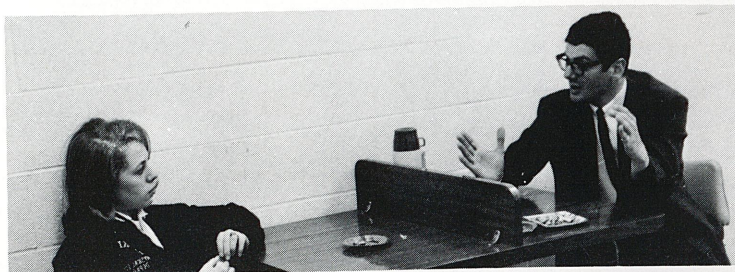

Energetic footsteps . . .
running infinite laps around the gym,
braving the cold, "wet" showers,
dancing to Johnny Costa,
boosting the "Big K" to victory,
the never-ending loneliness of the tunnel,
. . . tired depression as the day ends . . .

One step at a time, but always forward

Senior Class The autumn leaves began to fall as the seniors commenced their final and most treasured year at Kiski. Into their "treasured chest of memories" they placed Friday night football games, homecoming, and senior night. In addition, the fall brought much work, for college and business schools lay only a few seasons away. As the sunshine of spring melted the winter snow, the light of graduation gave the seniors only a few short months more to fulfill their high school career. They zealously strove to produce the Senior Class Play, prepare a Senior Banquet, and develop the Junior-Senior Prom. As spring sped past all too quickly, the Senior year ended. No matter where they go or what the weather may be, the seniors will always remember their Alma Mater—Kiski Area.

(Above) Sr. Class Officers A. L. Smith—Sec., C. Rupert—Treas., Miss Gregory, G. Miller—Pres., N. Brady—V. Pres. We've got the jolly jolly juniors . . .

Between the doubts of a sophomore, and the responsibilities of being a senior, lies the tedious, fun-filled business of being a junior. As they chose their class colors, flower, and motto they realized they were becoming an important part of the school. The striking colors of brown and gold, the flower, the daisy, and a forceful motto "The door of knowledge is labeled push" were all evidence of the juniors' striving to achieve the new goals they had developed at Kiski. Continuing to climb life's ladder, the juniors looked to the summit of their high school career—their senior year.

We've got the Itty Bitty Sophomores . . .

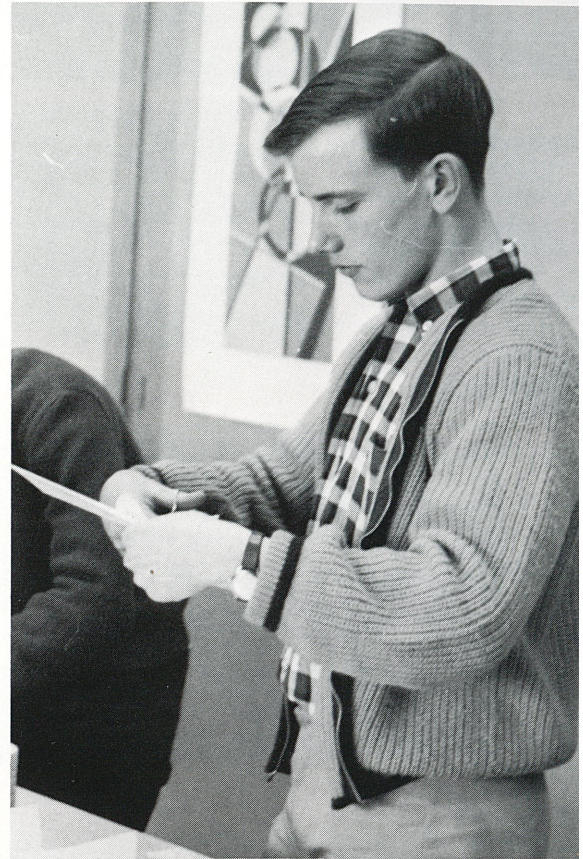

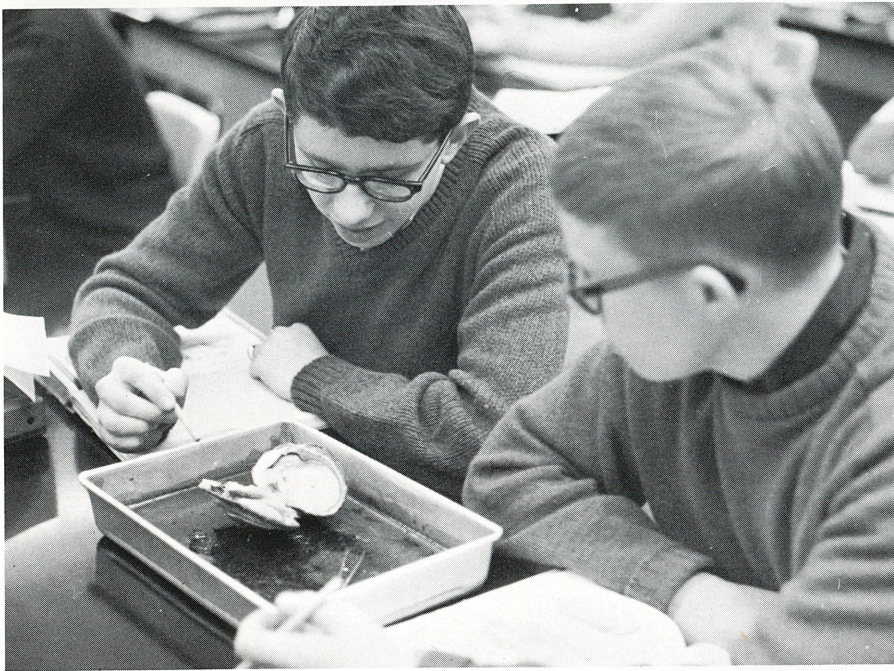

Eyes wide with terror, mouths parched, and stomach's fluttering, trembling sophomores entered Kiski for the first time. Some managed to force a little smile when they reached the security of their home rooms. But the joy of this accomplishment was soon erased by the severe face of their homeroom teacher announcing an awesome amount of rules and regulations to be followed.

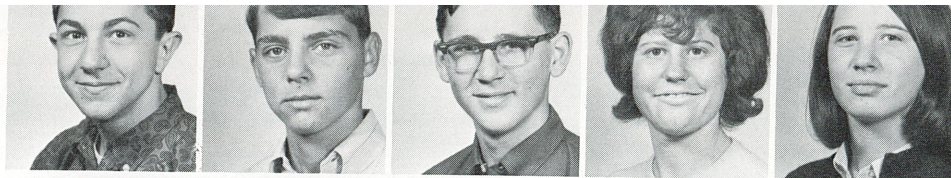

The sophomore year in any high school is a period of transition for the student. At Kiski Area the transition is a stimulating entrance into a world of higher academics. Coupled with the making of new friends and new social activities, the Sophomore's first year on campus was an enjoyable chapter in his life. Sophomores may be inexperienced and bewildered by new opportunities, but in their hands lies the future leadership of Kiski Area Senior School.

(Above) *Sophomore class officers*; Mr. Iagnemma—Sponsor, D. Jones—Pres., F. Gervasi—Sec., S. Chiatello—Treas., A. Buccerri—Vice Pres.

STUDENT
LIFE

the Elmer's Glue."

' then Mr. Miller said . . ."

"Where's Mrs. Bart?"

"Where's the chimney?"

you said you couldn't find a date!

"Dutch Valley? I thought this was the North Pole."

st and the Junior Class Toothbrushes did it.

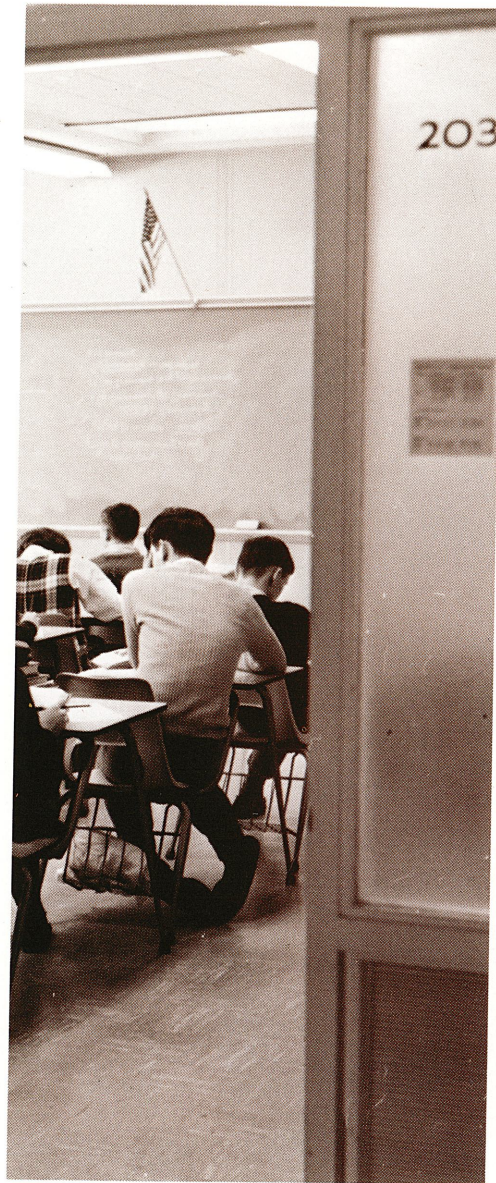

"What do you mean, whose ring is this?"

ill you marry me?"

So Einstein didn't understand everything at the beginning either.

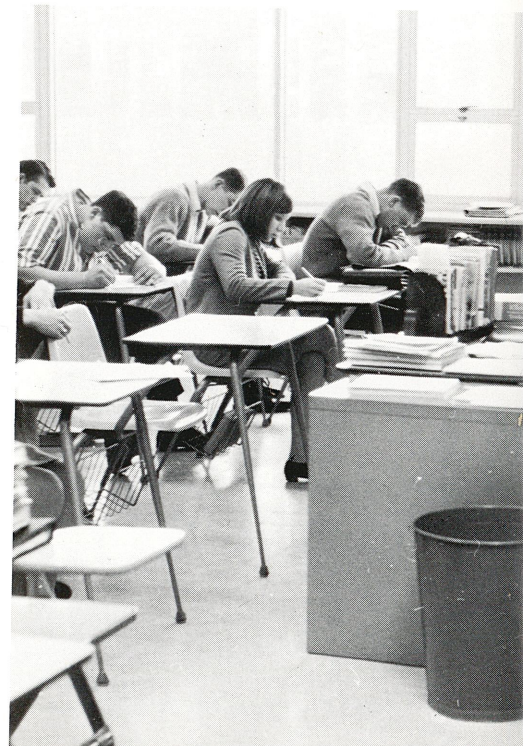

Now, I do remember studying that . . .

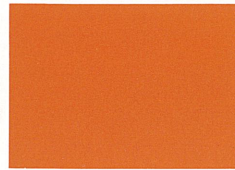

"Listen, man, I'm gonna give it to you straight."

Gee, I hope *he* appreciates all my efforts . . .

Who said students do all the work?

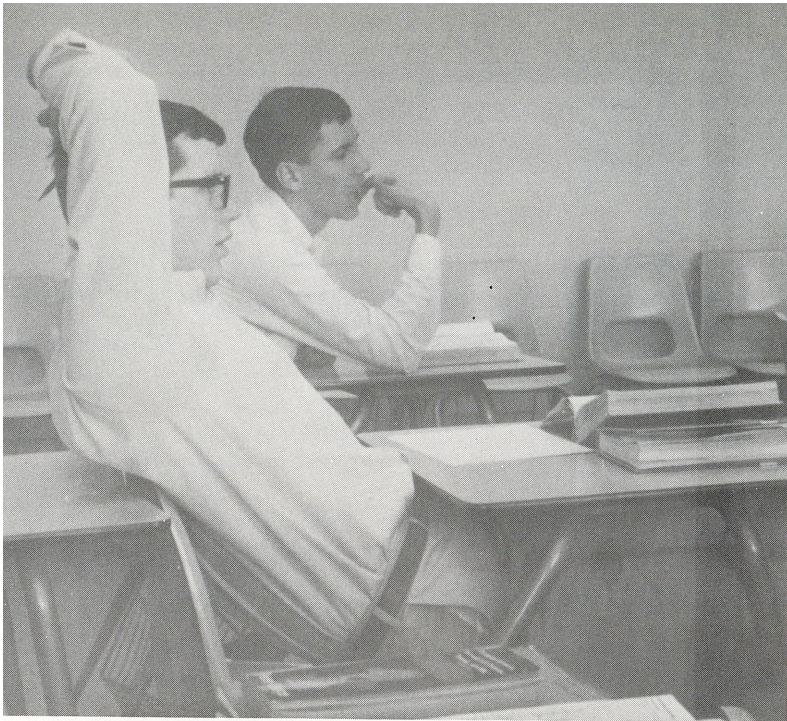

I really didn't need those three fingers anyway . . .

Who knows? In our midst there may be a future Picasso!

"May the Lord bless you and keep you . . ."

I wonder if I'll have to drive the hearse again tonight?

How do they expect me to type Russian with an American typewriter?

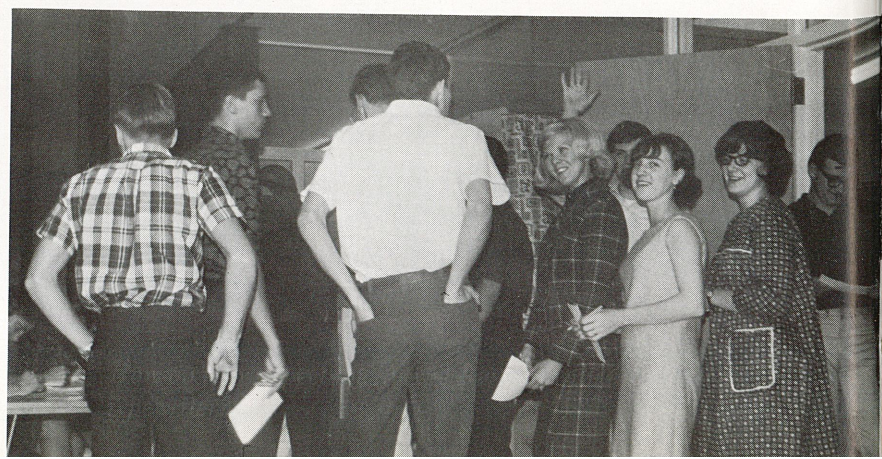

Alone at last!

If only it were for real!

"Hurry! Place your bets! Mr. Miller's coming!"

Won't somebody take me home?

Wouldn't it be nice if the school burned down overnight?

There must be an easier way to cheat.

Are they for real?

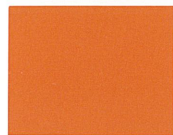

"But, Mrs. Lanker, can't you see? It's one-way traffic!"

It's bad enough we have to eat it let alone buy

I know it's in here somewhere!

n it; I told him to be here at five."

"I wonder what's for supper."

I don't think these sit-ins are going to work.

*Put your right foot in . . .
D.T. again tonight!*

Rest, at last!

Braving the cold of Siberia.

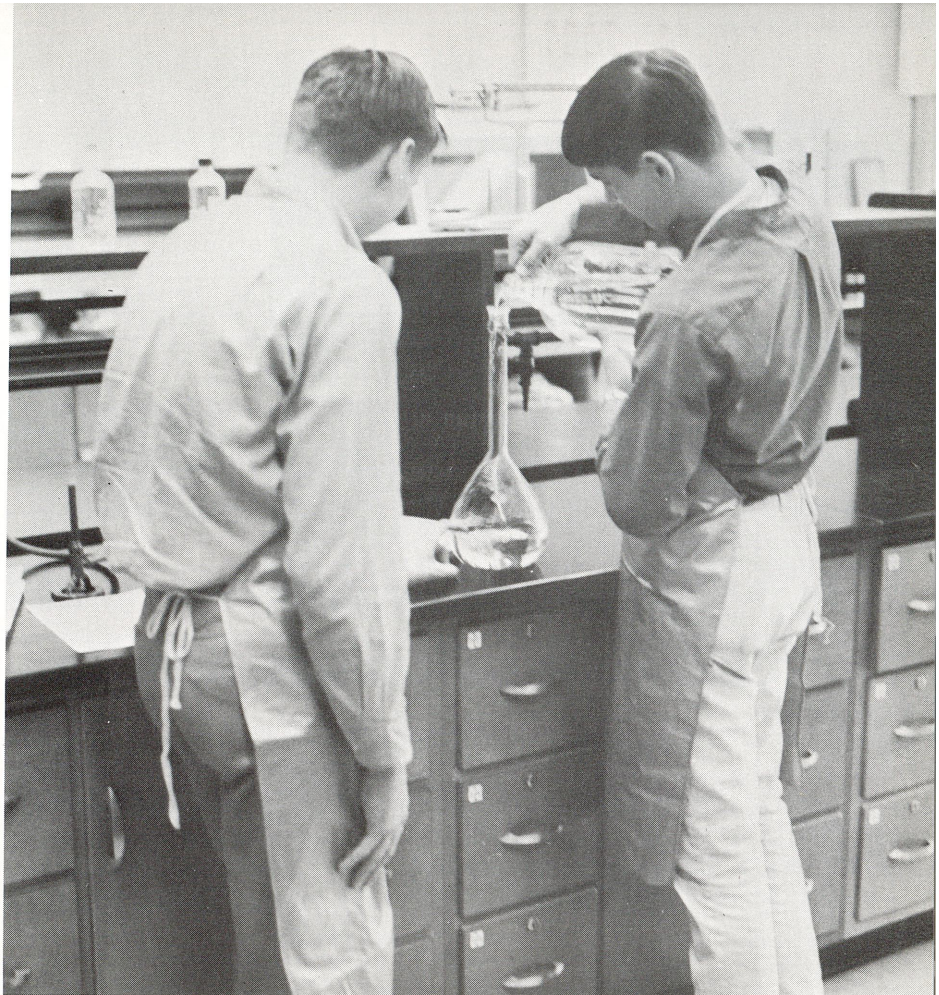

June 7—Will I or won't I?

Well, it can always be an ashtray . . .

What a hunk of man!

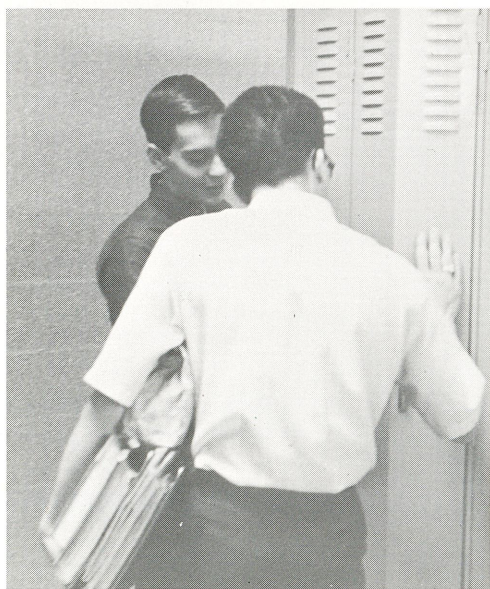

Can you put gasoline over a bunsen burner?

Keep smiling. We'll take the hubcap when he leaves.

If you look like this in midafternoon, what do you look like in the morning?

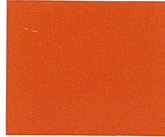

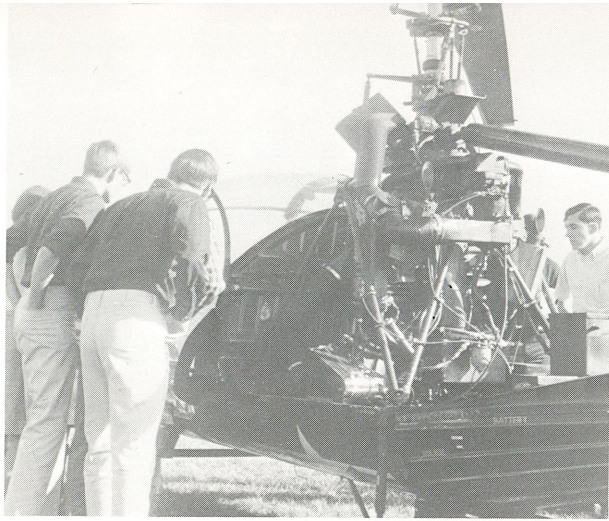

"How'd you get her in there?"

"What do you mean there's no school today!"

Wait 'til we serve these at the faculty tea!

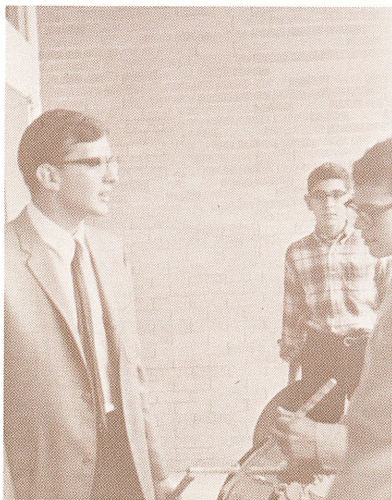

Who did you say they ran over?

They all think I know what I'm doing.

"Well, I don't care who said you can beat a drum better than me!"

If she wants us to make paper dolls, we make dolls.

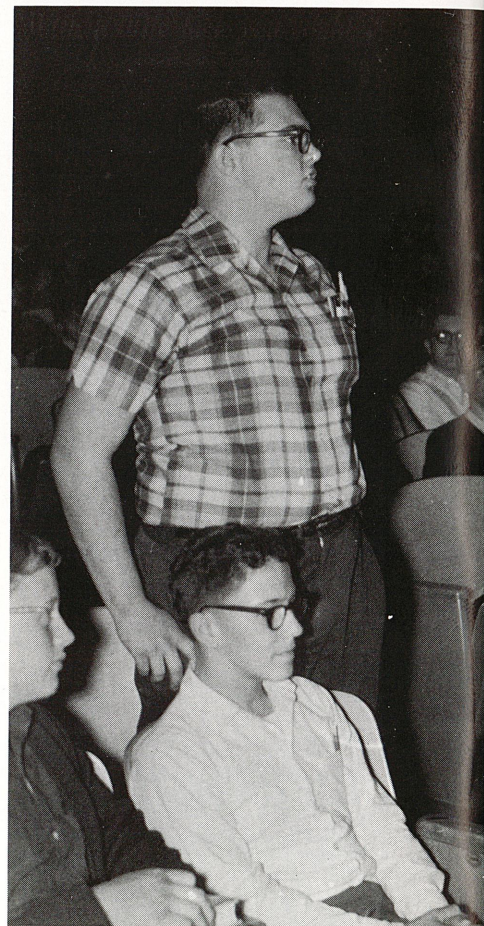

And I always have to stand at assemblies!

And now on to bigger and better things!

"And if I am elected I will cut the school year down to four days."

"Incidentally, have you heard the one about . . ."

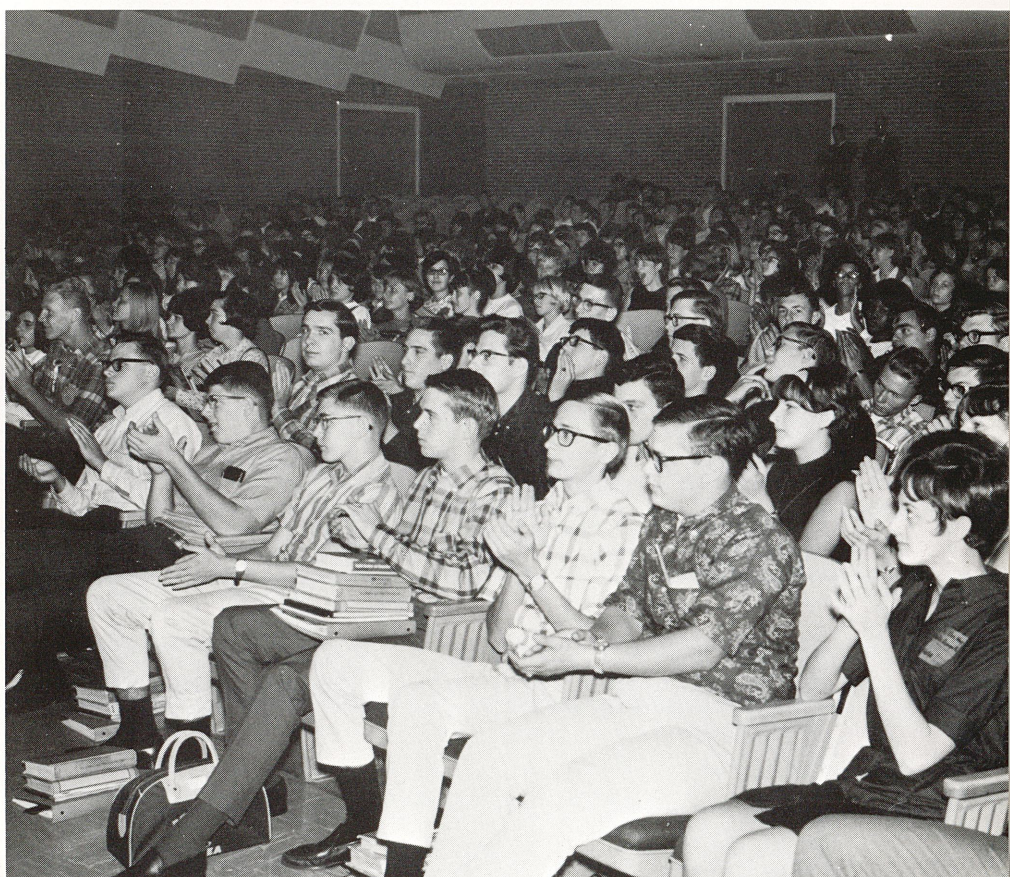

Cheer up. With a little luck you could win!

My name is . . .

"Yes, Mr. Creigh, you may be excused."

"Pardon the interruption, but have you seen my little green snake anywhere?"

"Well, at least it's better than having class!"

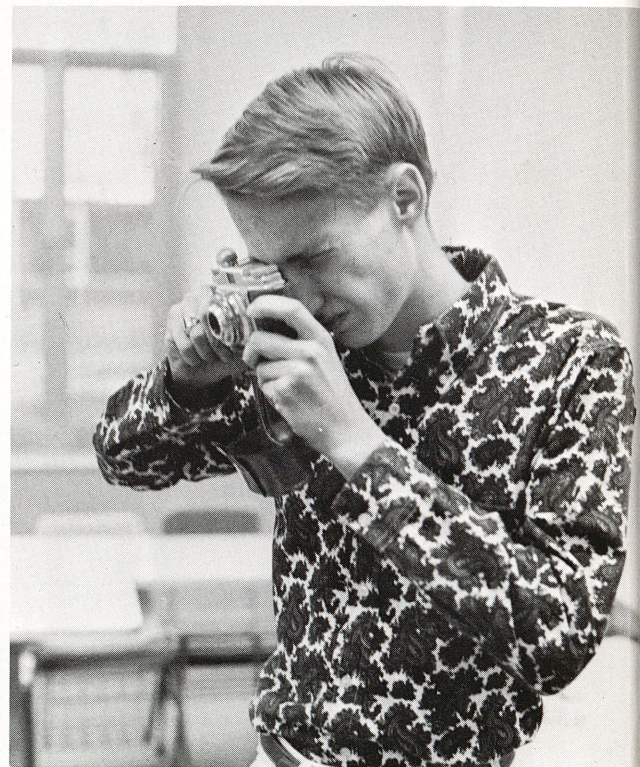

then after we get rid of the sophomore building"

STANLEY

Toil, tears, and patience produce *Campus*

Campus Each year, the biggest and, most cherished endeavor of the *Campus* is the task of the past year. The members of the yearbook staff spent much time, thought, and effort so that the students of Kiski Area High School would be able to recall the days of the 1966-1967 school year with much pleasure and appreciation. Besides the problems of layouts, writeups, and typing, members were faced with the annual challenge of raising an additional \$2000 to supplement the \$5800 collected from the \$4.50 sales price. In addition to getting subscriptions from students and faculty and soliciting ads from local merchants, the *Campus* initiated Kiski's first midwinter semi-formal, the Blue Noel, which was so successful it will become an annual event. Although these fund-raising projects take much time, the staff spent many more hours preparing the yearbook itself. The members of the *Campus* combined their efforts to give the students a yearbook full of memories and the traditional events that make Kiski Area High School.

(Top right) *Campus* G. Spanoudakis—co-editor, B. Zanos—co-editor.

(Left) *Kiskizette* Subscribers B. Felix, K. Guido, K. Hurlbut, J. Ming, S. DeBernardi, R. Sziraki.

Kiskizette A newspaper, to be good, requires hours and hours of hard work. The staff of the *Kiskizette* contributed their time gladly. From sports to academics, a wide range of topics was covered. The *Kiskizette*, with ten publications a year including one or two six-page special issues and an eight-page graduation issue, kept the students of Kiski informed about the happenings at their school. The *Kiskizette* contributed its share to the progress made at Kiski.

Intellectual prowess demonstrated through . . .

Creative Writers Humor, satires, suspense, and searching statements of modern problems composed Kiski's literary magazine *Odes and Ends* this year. In only its second year, the *Creative Writers Club* provided an effective outlet for the opinions and thoughts of Kiski Area High School Students. In idea and form, this year's publication offered the reader a survey of the student body through poems, essays, short stories, and character sketches. The student body reacted enthusiastically to an appeal from the club for original literature and many excellent writings were turned in. It was the difficult task of the *Creative Writers Club* members to determine which writings were to be chosen for publication in the magazine. After many hours of thorough examination of the writings involved, the members were well rewarded by the production of a literary magazine of outstanding quality.

(Top) *Creative Writers*—E. Fulgenzi—sr. editor, J. Young—sec. trea., D. Ridenour—soph editor, A. Spekis—jr. editor.

. . . wit,
wisdom,
and logic

Debate Club This year's *Debate Club* laid the foundation for a championship team next year. Their new sponsor, Mrs. Kelly, and four club members attended a conference of debating teams at Edinboro State College. They observed the debates which took place there, hoping to improve their own club's debating style. The club wanted to finance more trips to other conferences next year. Through the *Debate Club*, the students gained experience in expressing and upholding ideas and principles.

Governing body displays leadership

Student Council Although Kiski Area has an active club program, there is, perhaps, no organization challenged with the responsibility entrusted to the *Student Council*. Advised by Mrs. Bartlebaugh and Miss Klingensmith, this group acted as a liaison between the students and administration. They offered aid to Mr. Miller by tentatively scheduling all bake sales and after-school dances. Through the sale of ice cream and sweat shirts, this governing group financed the purchase of permanent outdoor identification signs which will serve in the future as a great aid to all who are unfamiliar with Kiski's campus. To complete the year's activities, the club awarded its annual scholarship at the Awards Day Assembly.

Candlelight induction highlights year

National Honor Society The vibrant strains of Dwight Mathew's "I'll Never Walk Alone" filled the air as the twenty-eight Seniors and twenty-seven Juniors filed slowly from the auditorium. A small flame illuminated each of the individual faces, and one could see that this was truly a momentous event in their young lives. This scene climaxed the Candlelight Induction held by the *National Honor Society* in mid-January. At the evening program, Dr. Bernard Scherer, of St. Vincent College, was the guest speaker. Miss Gibson and Mr. Williamson dedicated much of their time to provide the *National Honor Society* with interesting and worthwhile activities such as presenting a Pearl Harbor Day Assembly, sponsoring a book sale, and selling Easter Candy to sponsor a scholarship for a worthy student. Through these worthwhile projects and the holding of interesting meetings, the members of the *National Honor Society* found their membership to be not only a great honor, but also a lot of fun.

(Upper Left) D. Earhart, P. Matisz, G. Miller, C. Walton, B. Mentzer, J. Glass, C. Smith, C. Kaminski, F. Tola, R. Galus, C. Bartman, R. DeForno, M. Duff, D. Bucci, C. Brown, G. Katona, G. Swartworth, M. De Capite, S. Copney.

The rewards are great

Tri-Hi-Y Under the able coordination of Miss Weamer, the *Tri-Hi-Y* clubs have planned many useful service projects. Mrs. Lace and Mrs. Emberg, Senior *Tri-Hi-Y* advisors, Miss Keesey and Mrs. Black, Junior *Tri-Hi-Y* advisors, and Mrs. Grossheim, Mrs. Kearney and Miss Dolza, Sophomore *Tri-Hi-Y* advisors, helped the clubs in their goal to serve our community. Initiating the year was a beautiful candlelight ceremony during which new members were inducted into the club. An impressive and interesting assembly highlighted the Thanksgiving season. To bring more culture to Vandergrift, *Tri-Hi-Y* members held a Tag Day to raise money for a civic theatre, music group, and art group. A canned goods drive provided several needy families with Christmas baskets. Highlighting the spring season was the annual Sports Spectacular held at Butler.

Hi-y attends model legislature

Hi-Y The *Hi-Y* was a very worthwhile and important organization of Kiski Area High School. Affiliated with the YMCA, the purpose of the club is to "Create, maintain, and extend . . . high standards of Christian character." In the true spirit of the Christmas season, many members braved the coldness of winter to go Christmas caroling. Continuing an annually custom, the *Hi-Y* presented an impressive Easter Assembly Program. Probably the most important event of the year for the *Hi-Y* boys was attending the Model Legislature in Harrisburg. This year the members proved themselves capable of upholding the ideals of the club in a Christian manner.

(Top) *Hi-Y* Advisors: Mr. Marks, Mr. Bowser, Mr. Richey, Mr. Staney.

Life of dedication . . .

F.N.A. They do not wear white caps, but throughout Kiski are scattered our Florence Nightingales. The *F.N.A.*, an organization of sixty vigorous, young ladies who wish to enter the health fields, have accomplished many beneficial activities. The collecting of old nylons and cancelled stamps together with the raising of money for a scholarship which was awarded to a worthy senior entering a health field supplemented the club's activities. Their prescription for a dull meeting is members with a purpose and many speakers.

... destined success

F.H.A. "Too many cooks spoil the soup. . . ." Although many people have always believed in this saying, the sixty members of the *Future Homemakers* helped each other become their mother's "right hand" as they learned to become more adept in the kitchen. As always, the traditional Christmas tea highlighted the year. Plans were made to hold a "Popcorn Party" in which members were to make popcorn balls to give to all the teachers as favors. The activities of the club were not only filled with fun and parties, but also with service to the school. Whenever they were needed to serve refreshments at school functions and banquets, they were always there to lend a helping hand. Their main goal for the year was to purchase wall-to-wall carpeting in the living and dining room areas.

Experience paves the way . . .

F.B.L.A. Not only were the *Future Business Leaders of America* obtaining valuable experience as they prepared for business careers, but they were also of great service to the school.

Selling refreshments at football and basketball games and checking coats for school events consumed many of the members free hours. This Christmas, the *F.B.L.A.* members worked hard to sell beautiful Christmas decorations and candles. At various times during the year the *F.B.L.A.* attended regional and state conferences and workshops, gaining much information of value for the club. The highlight of the year came when the *F.B.L.A.* members spent a day working in the Business Office. The *F.B.L.A.* was sponsored by Miss Wingert, without whose devoted effort this fine club could not have existed.

for
future
prosperity . . .

F.T.A. Have you ever tried to bribe a teacher with a juicy red apple? The *F.T.A.* has. To help observe American Education Week members presented each teacher with an apple and ushered bewildered parents at open house. On the more serious side, *F.T.A.* members had the opportunity to visit local college campuses and to study college life as they imagined it. The year's activities were climaxed with the presentation of a scholarship.

(Top Left Srs.) *F. T. A.* L. Troutman, C. Sliwiak, C. Brady, C. Pinker B. Ferraccio

KEY CLUB Does anyone have any paint to sell? As their service project for the year, the *Key Club* elected to paint the guidelines in the school parking lot. In addition, they exemplified a strong desire to foster aid to needy children by promoting a campaign for the "Save the Children Federation of Merit." Their ingenuity inspired the student body to provide support for this worthy project. Always willing to render a service with a smile, *Key Club* members sacrificed their spare time to direct traffic and to park cars at evening functions held in the school. The *Key Club* is composed of only the finest young men at Kiski.

Library Club Books! Books! Books! It was the job of the members of the *Library Club* to take care of all the books in Kiski Area's large library. The *Library Club* was primarily a service group that assisted in the proper and efficient functioning of the library. The many tasks of the members included stamping and spraying all new books, typing book cards and pockets, organizing and binding periodicals, shelving books, recording circulation statistics, and applying protective dust jackets to all new books. By working for the library, club members gained valuable experience in Library Science.

(Above) *Russian Club*: J. Keddie, L. Chemilli, K. Campisano, N. Kasanicky, K. Jankowsky, C. Branthoover, K. Stemplinski, J. Shaw, R. A. DiCola.

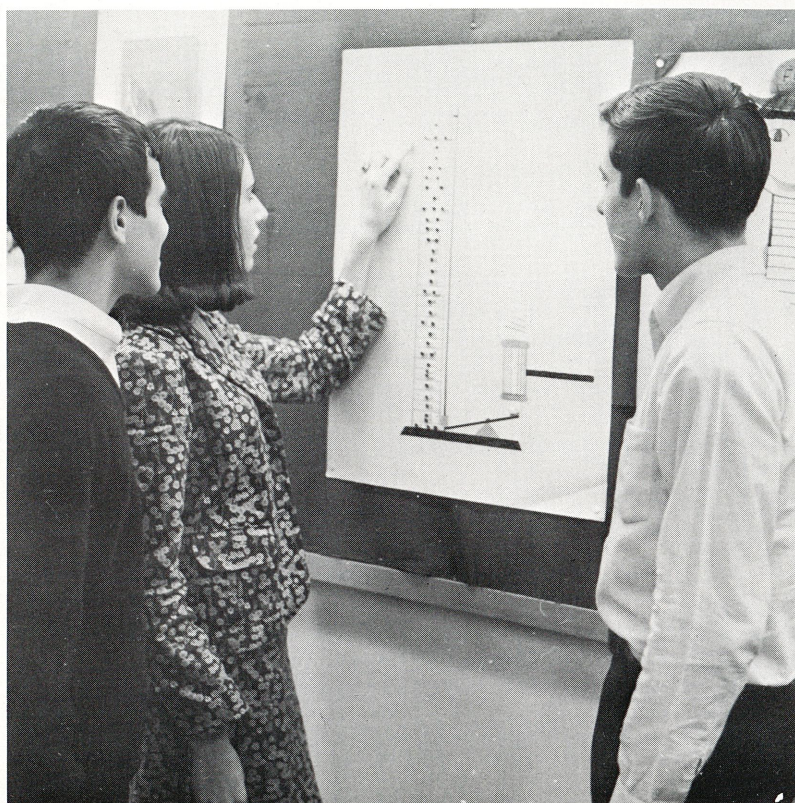

(Left) Mr. Egelsky

Russian Club Students at Kiski this year not only had the opportunity to learn the Russian language but also, through the *Russian Club*, to absorb information about the cultural, social, and economic life in Russia today. The sponsor, Mr. Harold Egelsky, spent the summer in Russia. As a consequence, much of the club's time was spent viewing and discussing colored slides which he had brought back. The beauty of the Russian cities and countryside and the customs of the Russian people were graphically illustrated in these slides. Later in the year the *Russian Club* journeyed to Pittsburgh to see the film *Doctor Zhivago*, which showed the strife that enveloped Russia during the Communist Revolution. Throughout the year, the members grew in their knowledge and understanding of Russia and its people.

Language students set their sights on Europe.

German Club Sprechen Sie Deutsch? Ja, answered members of the *German Club*. Not only did these students speak German, but they also enriched their understanding of the German culture through the *German Club*. Speakers were provided for the enjoyment and benefit of the club and a trip was planned to Buhl Planetarium during the annual language festivals. At Christmas, interested members provided the area with German carols. The club also saw Handel's *Messiah* performed by the Mendelsohn Choir over the Christmas holiday. The *German Club* helped plan the carnival sponsored by the Language Department to finance an exchange student. Because of Miss Keesey's dedicated service, the members of the *German Club* greatly deepened their understanding of the German language and customs.

Classical languages

Jr. Classical League Greatly enriching the cultural development of its members was the *Junior Classical League*. Sponsored by Mrs. O'Bryan, this active group devoted its time to studying Roman culture and literature. Interested members participated in skits and plays, all serving to uphold the purpose of the club—greater understanding of ancient customs. Debates were held by the members and excellent programs were provided by speakers. All in all, the *Junior Classical League* contributed much to the cultural understanding of its members.

*provide insights to
European culture*

French Club Le Circle François, otherwise known as the *French Club*, was busy this past year. The idea of conducting meetings entirely in French intrigued its members. Cyndy Brown, president, and Dennis Bucci, secretary, got an opportunity to use their French when this idea became a reality. Under the able supervision of Mrs. Black and Mr. Klingensmith, *French Club* advisors, they came through admirably. The club participated in the carnival held by all the language clubs. The proceeds from this carnival were used to help finance some student's trip to another country. The *French Club* succeeded in supplementing the French students' classwork with insight into the background and beauty of the French language.

Informed students discuss current events

Political Science The *Political Science* Club's meetings were devoted to widening the individual's scope of interest giving him a much better understanding of the events which shape history. Since *Political Science* is the outgrowth of interest in government, topics discussed by members ranged from reappointment of state legislatures to the war in Vietnam. Benefits of club membership include the chance to hear distinguished political leaders and question them on the aspects of running for public office and the steering of a government. As their service project for 1967, plans were made to send care packages to Vietnam.

Keen, analytical minds exercised

Math Club Exploring the depths of Geometry, Algebra, and other mathematical problems, the *Math Club* was an educational as well as interesting activity. The members of the *Math Club* devoted their energies and talents to the study of more advanced calculations than to be found in the classroom. They also examined new approaches to the old science. Under the guidance of Miss Gregory, the *Math Club* provided an excellent supplement to Kiski's mathematically inclined students.

*Future
scientists
probe the
unknown*

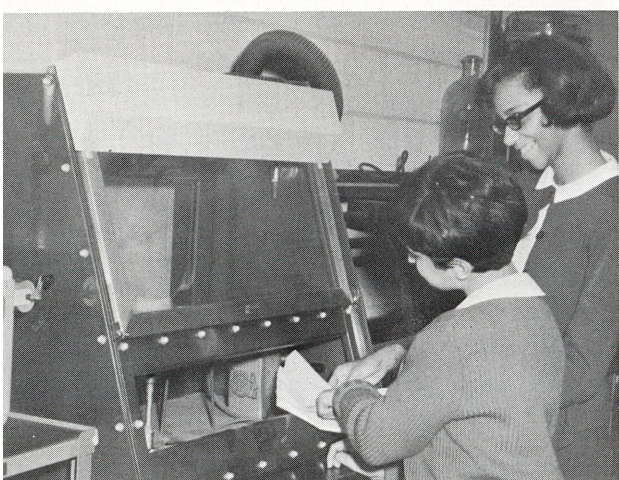

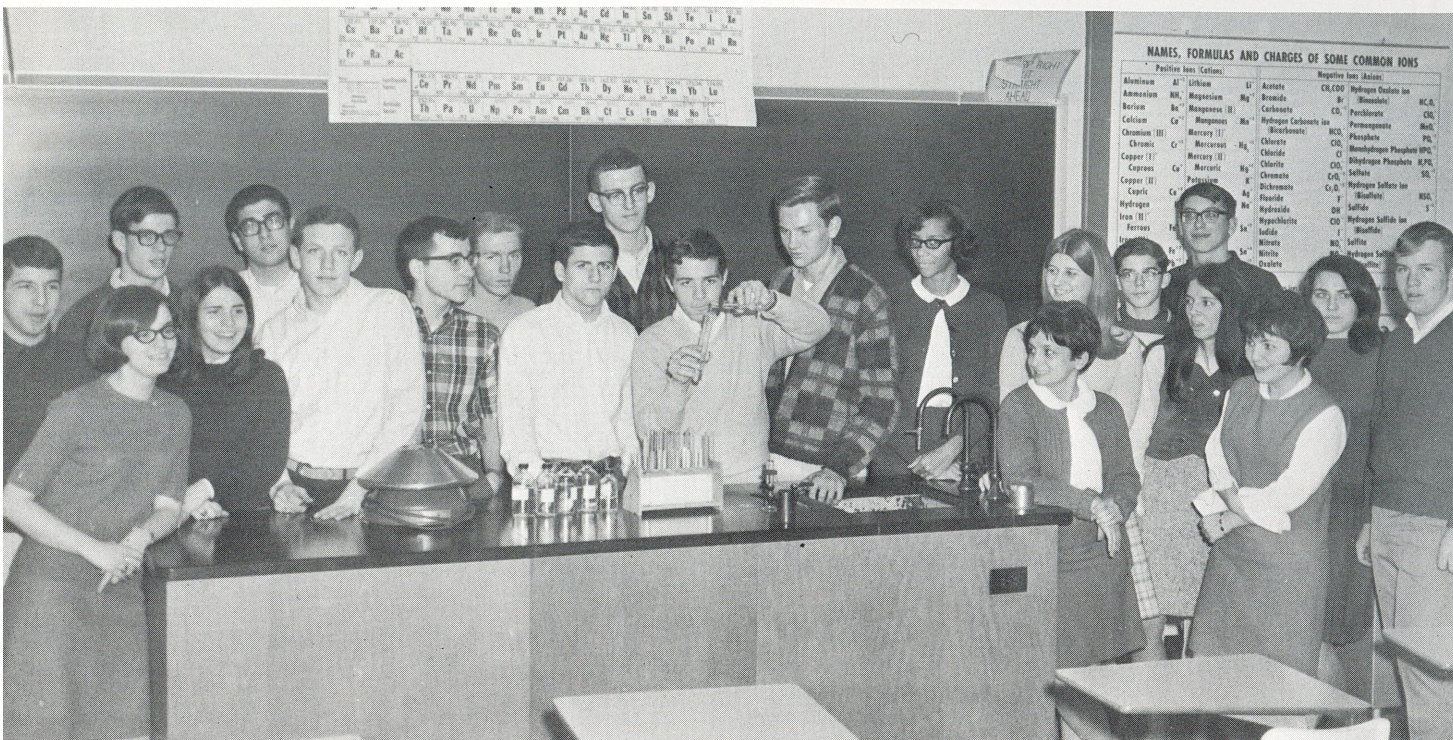

Astronomy Club Star-gazing and the study of celestial bodies were the favorite activities of members of the *Astronomy Club*. Under the supervision of Mr. Yajko and Mrs. Espy, students interested in this field were trained in the use of equipment and observations necessary to the study of astronomy. Through various observing sessions, members received first-hand knowledge of the constellations in the universe. The highlight of the year was the awarding of prizes to the outstanding members, the first prize being a valuable telescope. The *Astronomy Club* was a very worthwhile activity, in that it provided educational experience as well as proving of interest to its members.

(Center Left) Mr. Yajko, J. Noble—Sec., D. Bills—V. Pres., T. Butler—Pres.

Chemistry Club Future Priestleys and Lavoisiers may have lurked in the smoke and fumes of the chemistry rooms at Kiski. Fortunately, the *Chemistry Club* was around to help them emerge from the fog they found themselves in and to strengthen their scientific bent. For these young scientists the main event of the year was the School Science Fair, sponsored in part by the *Chemistry Club*. Some of them showed unusual promise in their chosen fields. By stimulating interest in chemistry and giving its members a chance to show this interest, the *Chemistry Club* played an important part in the lives of many Kiski students.

(Top) *Chemistry Club*: B. Barbour, J. Curicio, P. Matisz, J. Martier, P. Conrad, L. Manganello, J. Reilly, C. Edmonds, D. Earhart, R. Alker, M. Dvorsky, G. Miller, J. Collins, B. Conway, C. Coleman, K. Jankowski, R. Johnston, G. Spanoudakis, B. Gregg, K. Camisano, L. Marsili, F. Laughner.

If a body meets a body . . .

Kiski Players "You're not in character. You missed your cue. You're upstaging the most important character." These words are very familiar to the *Kiski Players*. The members of this club assumed a more important role this year than ever before, mainly because of their hard work and the help of their excellent dramatics coach, Miss Klingensmith. The *Kiski Players* put forth all their efforts to produce "Terror in the Suburbs", a combination murder mystery and comedy. Besides this, the *Kiski Players* and Dramatics Club combined their efforts to present an assembly in February. "I'm a nobody, are you a nobody too?" was the theme of this assembly, which was dedicated to all the nobodys of the world.

Dramatics Club Although the theater, because of its glamour and romantic fascination, has long appealed to everyone, few people realize the hard work required of a successful production. As players portrayed characterizations on stage, crew members learned to complete endless tasks. Although he sees the end result, the average person never gives such things a second thought. Designing scenery, assembling props, finding or making costumes, applying make-up, and arranging publicity are all vitally necessary. Without them, superb acting and brilliant directing would be nothing.

In their desire to gain membership in the Kiski Players, *Dramatics Club* members perform these many tasks and more.

Service reaps appreciation

Audio-Visual Club The films and projects that teachers need do not appear without effort. The hard-working boys of the *Audio-Visual Club*, whose efforts are coordinated by Mr. Harold Coffman, are responsible for their appearance. Tape recorders and screens are also their responsibility. Training in keeping this equipment in good repair is an integral part of the club's activities. The members of the *Audio-Visual Club* received instruction and experience that will benefit them the rest of their lives.

Stage Crew Somewhere between the glory of a successful opening night and the unending hours of tireless practice, one finds a group of hard-working, often-forgotten fellows whose duty and responsibility it is to create a stage suitable to the play being produced. Under the patient guidance of Mr. Tarosky and Mr. DeSantis, the *Stage Crew* worked diligently to prepare scenery and sets appropriate for such varied productions as *Terror in the Suburbs*, *The Lonely Pine Tree*, *Erasmus With Freckles*, and *Oklahoma*. Although the glory of the curtain calls goes to the stars, one should remember that without the tireless efforts of these behind-the-scenes people, the play could not have gone on!

Audio-Visual (Upper Left) Standing: J. Goleski, J. Mailki, R. Pezzana, J. Cuddy, P. Butch, Mr. Coffman—Advisor, J. Soska, B. Crooks, D. Bard. *Sitting:* T. Sloan, B. Thomas, T. Sliviak, F. Paolo.

Mixed Chorus and *Concert Choir* adding harmony to the musical curriculum of our school are the *Mixed Chorus* and *Concert Choir*. These groups rehearsed daily to provide our school with many excellent musical programs which served greatly to enrich the culture of our school.

Because of their ability, members of the *Mixed Chorus* are chosen to participate in the *Concert Choir*. A student joining the *Mixed Chorus* in his Sophomore year must attend classes once a week in addition to regular rehearsals. At the end of the Sophomore year, each member is tested and if qualified becomes a participant in *Concert Choir*. At various times during the Junior year, members of the *Concert Choir* are given a vocal test. To remain in the *Concert Choir* for the senior year, each member must pass a vocal test at the end of his junior year.

*Special programs
exhibit natural
abilities and
talents*

Boys' Glee Club Another branch of our music department is the *Boys' Glee Club*. Primarily, this group meets for pure enjoyment. However, through the course of the year a few musical selections require male voices only. These are rehearsed and prepared during the *Glee Club* meetings.

County Chorus The *County Chorus* is not a regular club. Students were selected for this group on a basis of ability by a selection committee composed of vocal music teachers from Westmoreland County High Schools. After much hard practice, the students in *County Chorus* attended a Choral Festival held at one of the area schools.

Mixed Ensemble The *Mixed Ensemble* is a select group taken from the choral clubs, Mixed Chorus and Concert Choir. A relatively small group, the *Mixed Ensemble* illustrates the fact that these members are chosen for quality rather than quantity.

(Top) *Jazz Ensemble* Front Row: J. Galo, D. Mathews, C. Steward, K. Hicks, P. Curtis, Z. Booker, J. Bracy Row 2: Mr. McClelland, J. Kovalchik, J. Cibik, D. Hines, L. D'Angelo

Jazz Ensemble Weekly meetings of the *Jazz Ensemble* trained gifted students in the modern music areas. The ensemble includes an instrumental group which rehearses for accompanying choruses. The boys quartette, an active branch of the ensemble, trains for various appearances.

Sixth period comes alive with the sound of music

Symphonic Band From the depths of an instrumentalist's soul generates the innate ability to perform music. The talented musician can execute any type of music from classical Beethoven to contemporary Gershwin with feeling and with technical correctness. However, talent can not bloom and flower unless it receives guidance and opportunity to reveal itself. It is for this reason that the *Symphonic Band* was created. Melodic interpretation and native musical ability were the requirements for admittance to the *Symphonic Band*, these being measured on a competitive basis.

The hours did not seem long to Kiski's most talented musicians as they rehearsed everything from Mendelssohn's "Overture For Band" to Rodgers *Oklahoma* in preparation for the band's many appearances. The audience's reaction in such programs as the Christmas Pageant, the Carnegie Tech competition, the production *Oklahoma*, and the annual Spring Concert was one of amazement.

Music stimulates enthusiasm in young musicians

B Dance Band Working hard to provide our school with a very fine jazz department, the *B Dance Band* rehearsed many hours during and after school. To achieve the highest degree of musical technique and interpretation was the goal of this fine organization. These talented students gained much experience in a very difficult area of musicianship with the expert guidance of Mr. Wills. Their high standard of performance was clearly evident in the Jazz Assembly and Jazz Concert.

(Above left) *A Dance Band Front*: Mr. Costanza *Row 1*: S. Hoffman, S. Greenlee, J. Ciuca, J. Couch, T. Cribbs *Row 2*: D. Dietrich, R. Rzeczkowski, D. Kovalchik, M. Mrasz *Row 3*: P. McAwley, R. A Dance Band Under the direction of "Mr. C.", the *A Dance Band's* main objective was to provide musically talented students with valuable experience in the field of jazz performance. The members of the *A Dance Band* were chosen after a careful examination of playing technique and jazz interpretation. Besides individual practice, they willingly devoted their Activity Periods and many Thursday evenings in preparation for their many appearances. The *A Dance Band* performed for the parents at Open House, participated in the Greensburg Jazz Festival, and competed in the Mid-East conference in Pittsburgh in addition to providing the school with an excellent assembly and participating in the Jazz Concert. At these events, the time and effort devoted by these students was clearly evident by the superb performances of the band. No director could be better than our own "Mr. C." who transformed this group of talented students into a very professional-sounding Dance Band.

Snappy routines entertain cavalier audiences

Energetic efforts arouse interest in athletics

Pep Club "On our side we had the blue banana," but even more important we had the *Pep Club*. This group, under the guidance of Miss Querio, instituted a new tradition at Kiski, "The Card Section." To keep the students informed of team activities, bright and colorful posters were displayed throughout the school each week. By selling stickers and decals they financed student buses to the away games.

Cheerleaders Through their demonstration of skill in precision formation and cheers, Kiski Area *Cheerleaders* captured the "1966 Westmoreland County Cheerleading Championship," thus automatically becoming the host school for the 1967 contest. These girls worked toward the goal of greater school spirit and success for our school's teams.

Sports-minded combine ability and interest

Boys Leaders Although not a club, the *Boys Leaders* was an integral part of our school. Assisting greatly in the supervision of the boys' Physical Education classes, a student receives one-half credit for participating as a leader five days per week in a class other than his own. The *Boys Leaders* meet on alternating weeks, functioning as a unit the same as most clubs. While earning extra credits for graduation, these boys also gain much valuable experience in the field of Physical Education.

(Top) *Boy's Leaders* Row 1: J. Cibik, E. Seybert, R. McLaughlin, G. Boyerinas, R. Alker, G. Katona, D. Troup, M. Bonelli Row 2: J. Chovanas, J. Grimm, A. Dupstadt, E. Fatseas, B. Hayes.

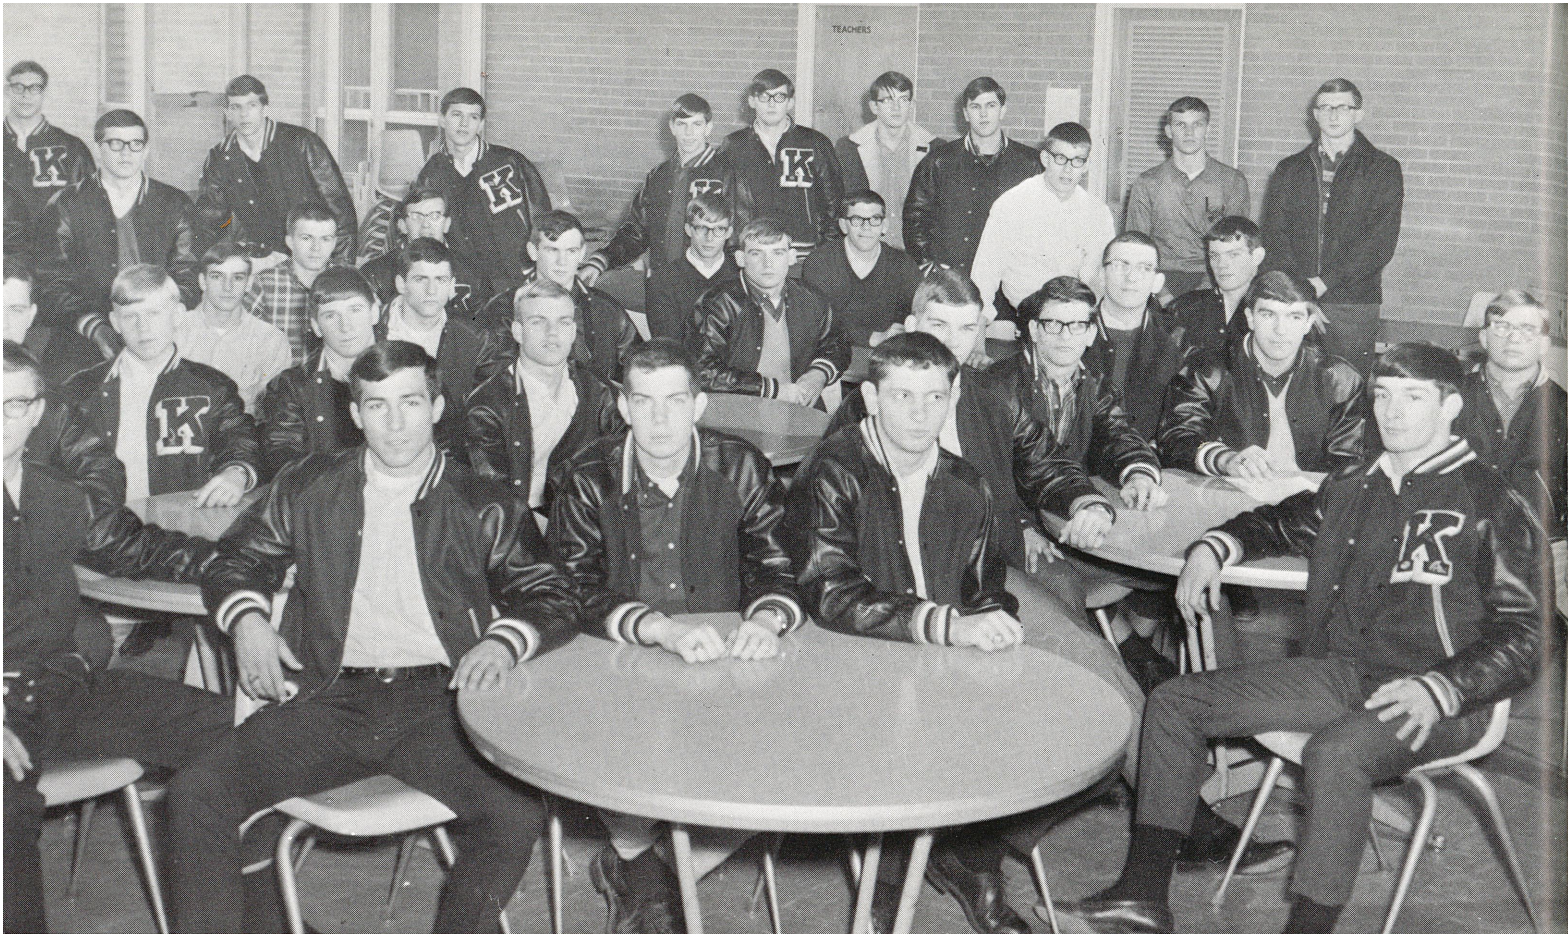

Girls' Leaders When playing basketball, jumping rope, or turning hand springs, a few girls at Kiski reach a state of ecstasy. Because they covet all the precious moments spent on the gym floor, they willingly donated all their study halls and spare time to aid Miss Herbeck and Mrs. Bonner in the physical education classes. Their duties consisted of taking roll and leading the exercises when supervising a gym class. Acting as true friends, the *Girls' Leaders* were always eager to help anyone who needed it. At the awards assembly held in the spring, the girl athletes were presented with awards and pins.

Athletic abilities foster recognition

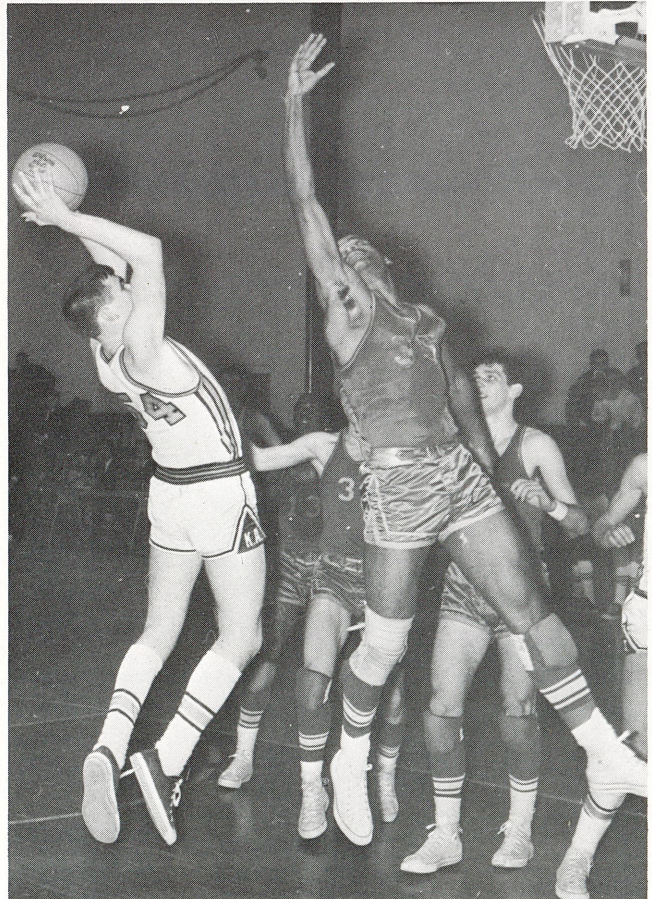

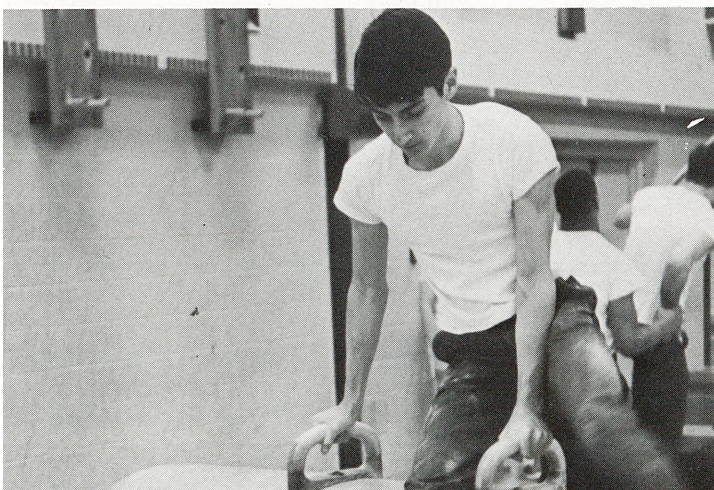

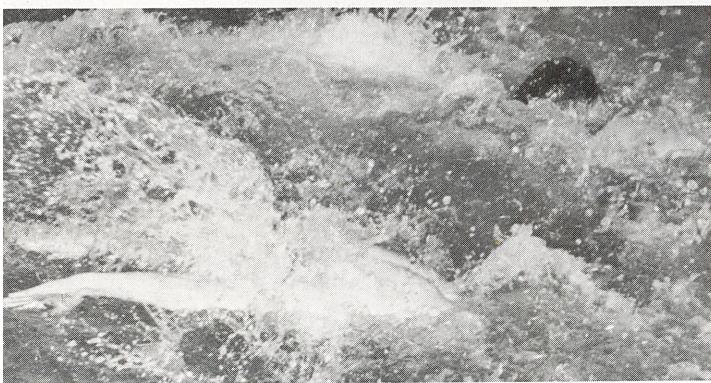

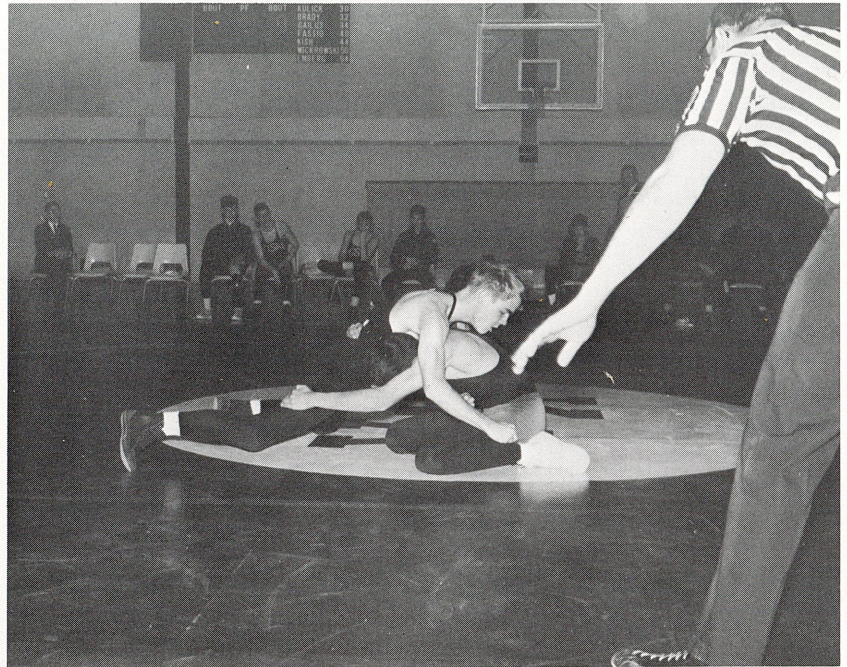

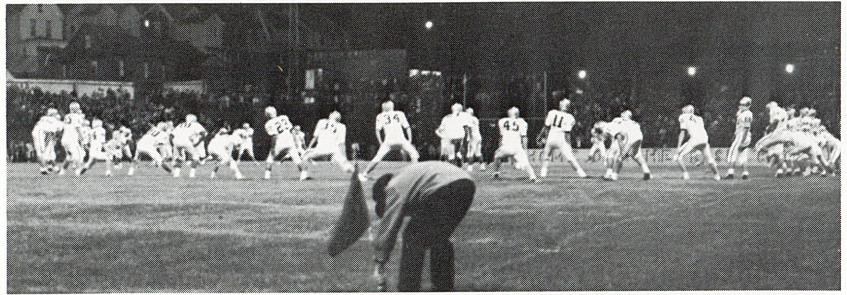

Varsity Club "To be successful—you must believe." Choosing this motto as their theme, the *Varsity Club* strove to represent Kiski Area in the finest of traditions in 1967. By demonstrating the maximum of their efforts, they reached the epitome of success. Giving no heed to leisure, they spent many pre-season hours practicing to yield a sturdy foundation for section games.

While playing in intramural sports at Kiski, not one of the teams was ever known to give up. Even though they may have lost many games in succession, they always bounced back to win again. Why? Because of their ability, because of their spirit.

Through their participation in sports, they learned to compete with honesty and to lose without malice for their opponents. Their years in the *Varsity Club* will help them to become better young men who will in turn produce a much better world.

FOOTBALL

This past season was a GREAT one; great because of the fine young men who made up the 1966 Kiski Area Cavalier Football Team. It probably will be remembered as one of the most, if not the most, exciting seasons in the history of our school, for it was packed with thrilling football week after week. It was a season of heartbreaking defeats, last minute come-from-behind victories, and two great upset victories over previously undefeated teams.

The 1966 football team was a success in every sense of the world. First of all, a winning season of six wins and four loses is a successful season. But there were other challenges which confronted our players from the onset; a complete revision of both the offense and defense, and the molding of players from two separate teams into one team within a few weeks. Due to the great determination and enthusiasm on the part of both players and coaching staff, these challenges were successfully achieved.

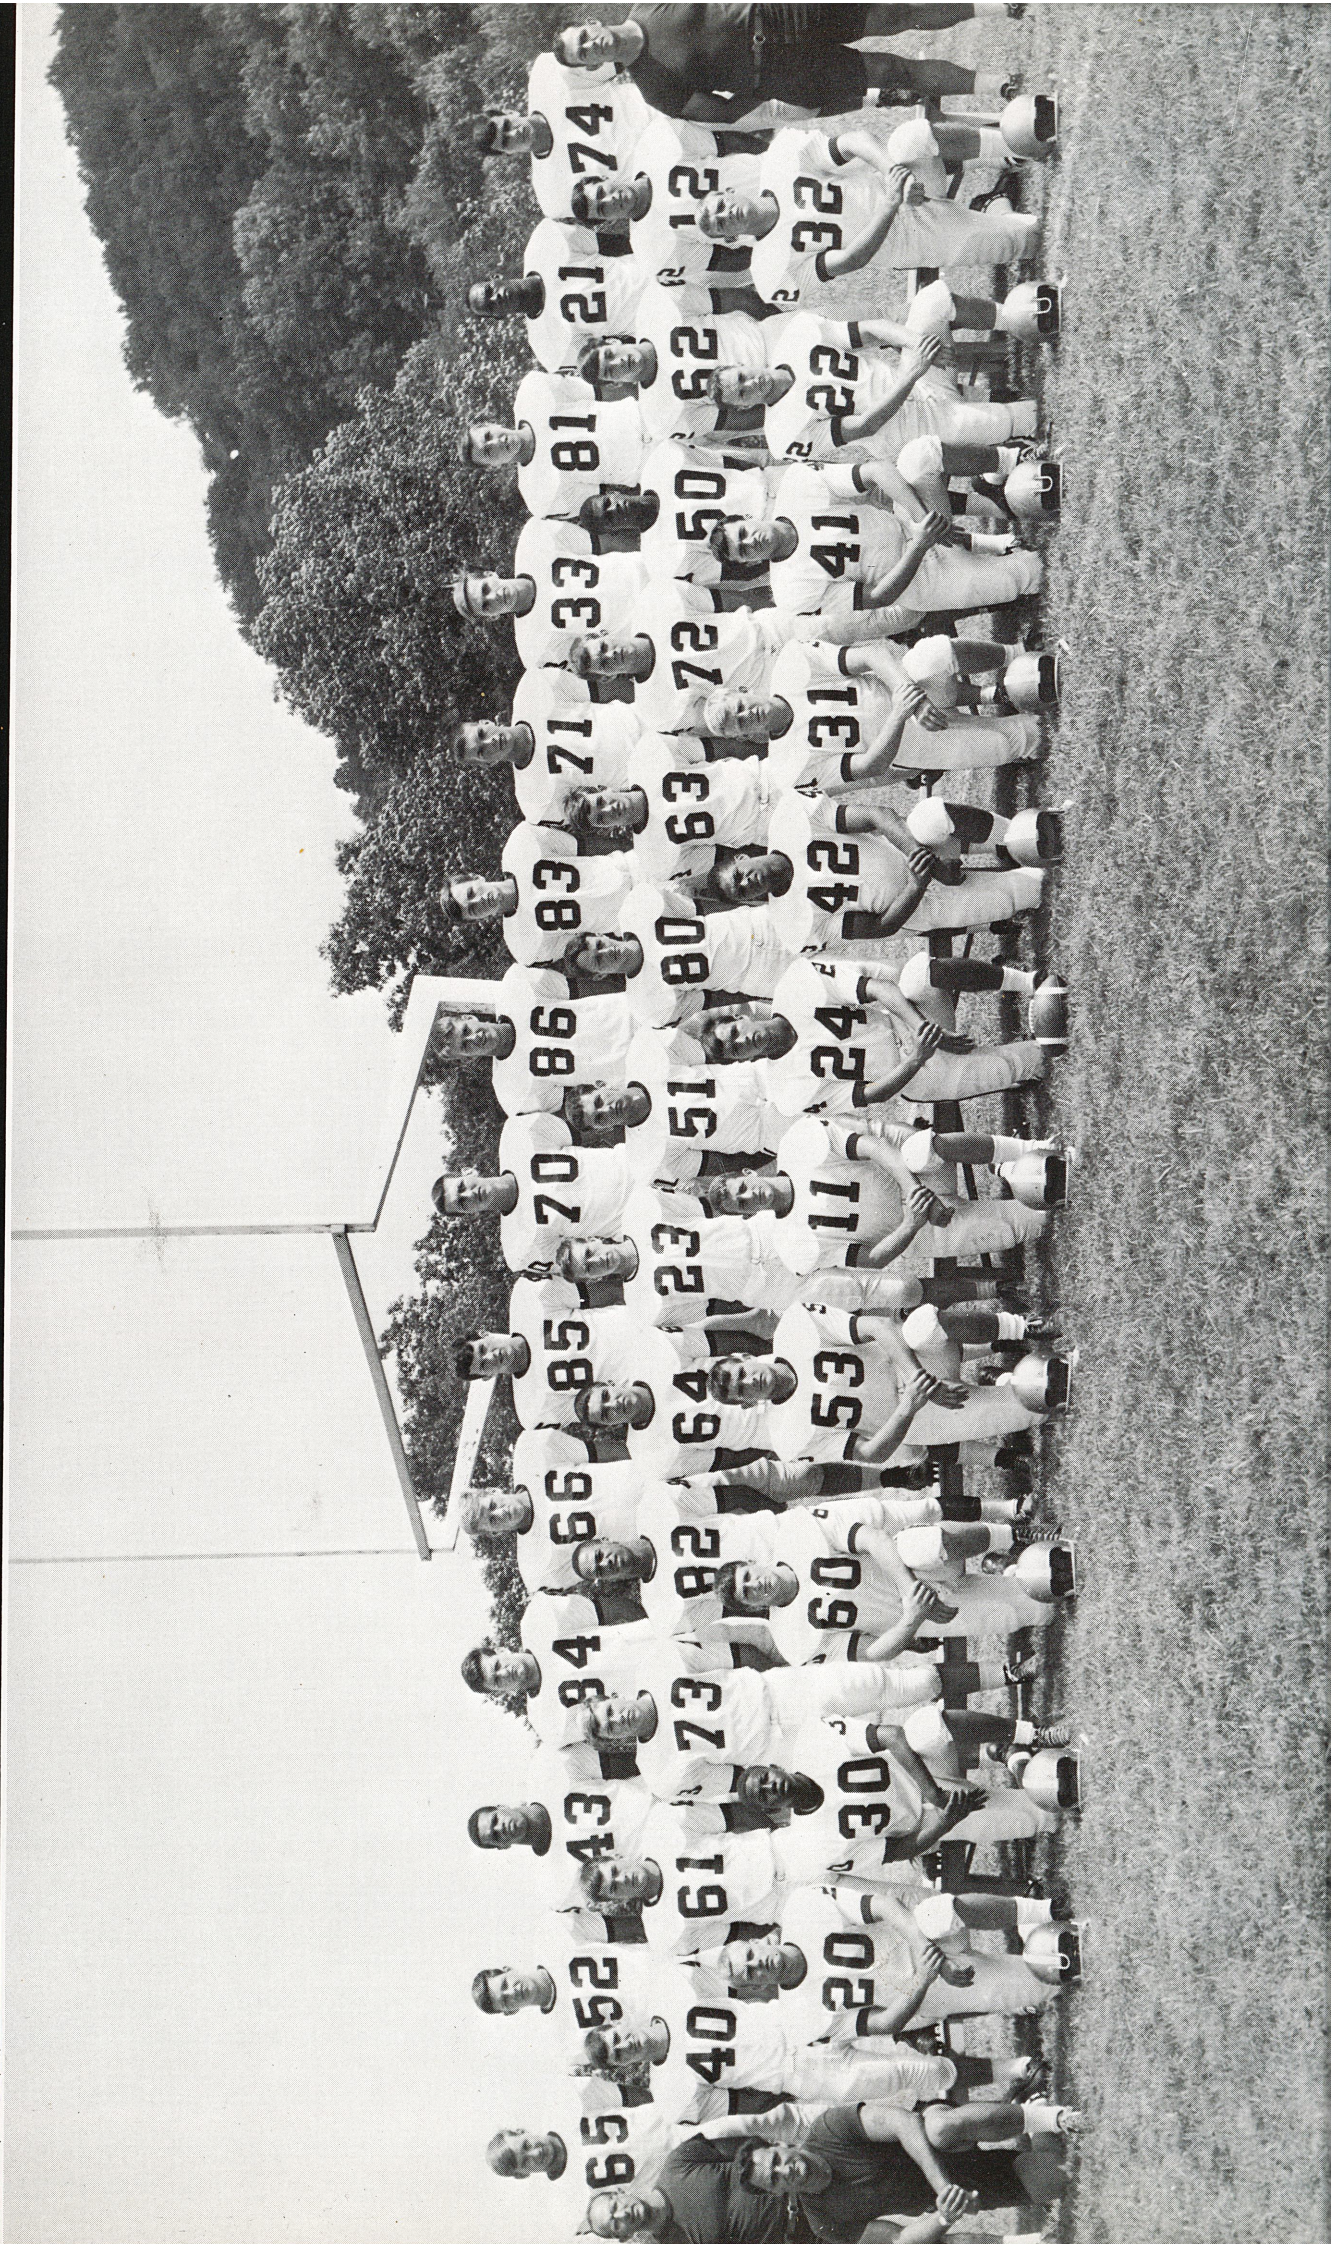

The greatest accomplishment of all—one which we will always remember this team by—one which we should all be proud of—was the tremendous comeback made at the end of the season. With only two wins against four loses, three of which could have been victorious, and injuries to key personnel, our boys had every opportunity to give up, make alibis, and just plain quit. Instead, with their “never say die” attitude, which was ever-present in the first six games, these young men achieved greatness. They proved that they were champions in every respect—a wonderful accomplishment. They have brought honor to their team, their school, their parents, and their community. I am proud to have had the opportunity to coach and be associated with these fine young men of Kiski Area. They will become successful in their life endeavors.

Words can not begin to describe the great respect, admiration, and deep appreciation which I have for the members of the coaching staff—they are the “greatest”. I also know that the players share these same feelings. With players such as these, and dedicated coaches, Kiski Area will always be GREAT.

(Front Row) A. Nicholas—Ass't Coach, R. Borello, W. Hutcherson, M. Hepler, J. Plonka, D. Milliron, J. Bills, G. Scott, W. Zapotoczny, B. Silvestri, D. Ritter, J. Mondale

Blue banana boosts

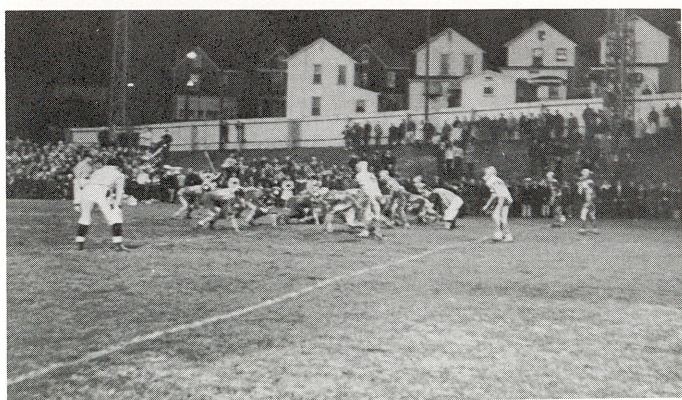

Big K spirit

With a season's record of 5-1-2, Kiski's Junior Varsity team will no doubt be ample material for next year's Varsity. Losing only to Westinghouse Memorial, the K-men proved to be one of the tougher Junior Varsity teams in the section. Led by top scorers Dennis Booker, Dave Jones and Carl Toy, the Cavaliers totaled 165 points this season, letting only 27 points be scored against them. The results of the eight J.V. games were as follows:

	Opponent	Kiski
Hempfield	6	33
Leechburg	0	0
Kittanning	0	24
Ford City	0	28
Penn Hills	7	7
Har-Brack	0	28

A final bounce to victory

Kiski Area is slowly building an exciting tradition of basketball success which might be summed up in one word—HUSTLE. The style of play which the *Cavaliers* have adopted stresses hustle and determination. Basketball at Kiski Area trains a boy to be able to stride into the game of life with the same firm purpose with which he enters a game of basketball.

Coach Andritz said, "I am confident that the team members who are graduating will be poised, well equipped and confident when they face the greater game of life."

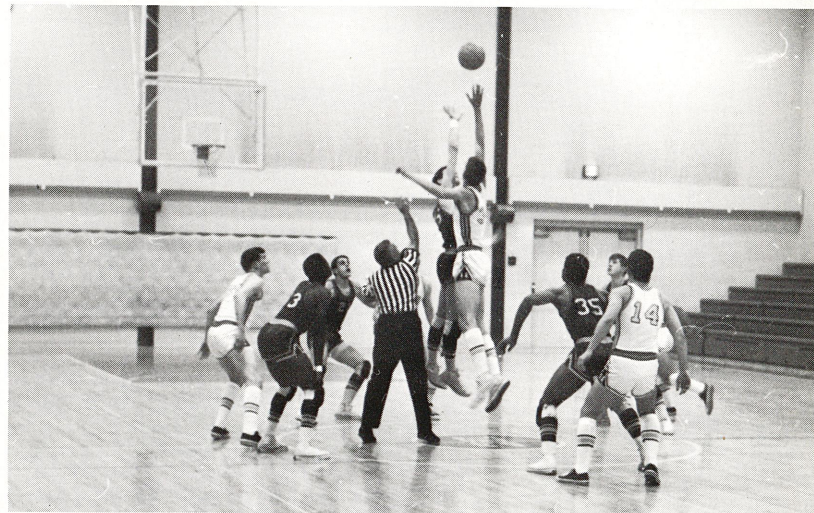

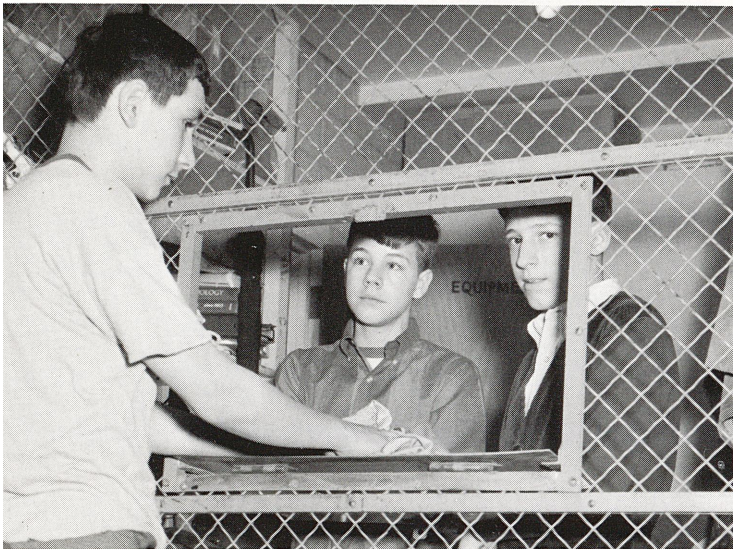

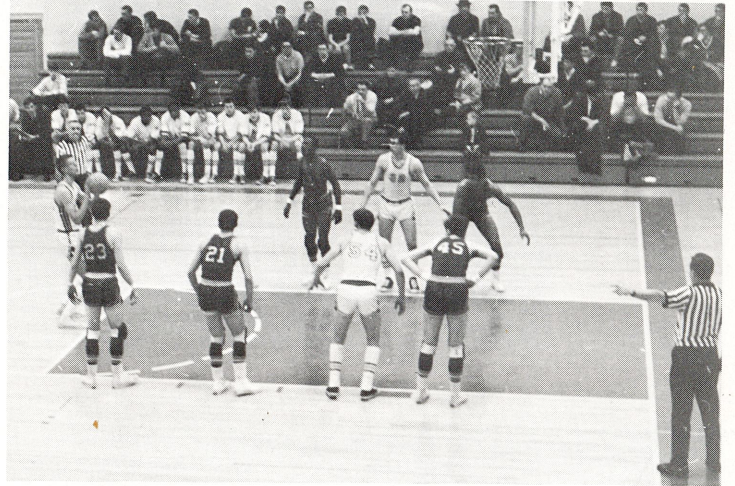

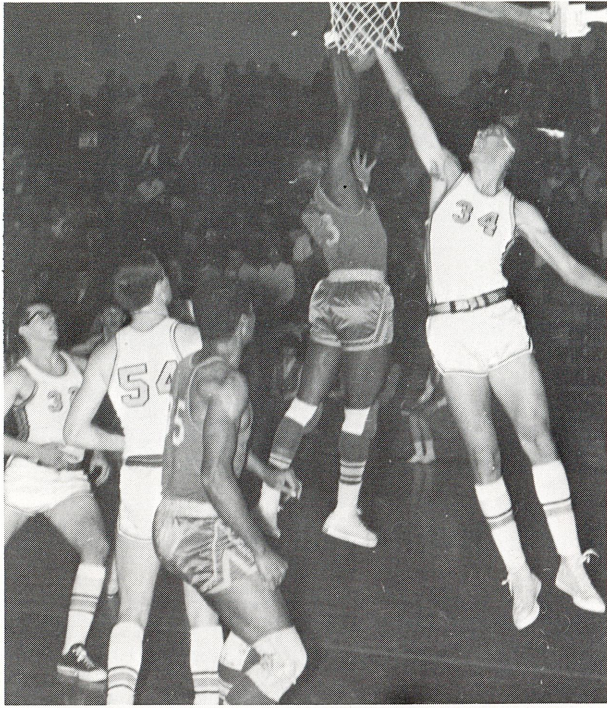

This year's won-loss record was the best yet for Coach Dennis Andritz at Kiski Area and the best yet for a *Cavalier Basketball Team*.

Strength and confidence rewarded

Gymnastics Team Although still a comparatively new sport at Kiski Area, the *Varsity Gymnastics Team* provided the spectators with some fine meets. In the process of building, the team found many new members developing their varied talents and skills. Under the co-captains of David Haugh and Bill Hayes, these inexperienced performers demonstrated a spirit and determination that Kiski Area can be proud of.

A shot in the dark succeeds

Rifle Team The Rifle Team was initiated as a new intramural sport at Kiski this past year. To be a skilled rifleman, one must possess keen vision and a steady hand. Because Kiski does not have a rifle range, they utilized the facilities at Washington Township Jr. High. For a team in only its first year of competition, the boys illustrated the stamina and determination that is characteristic of Kiski Area.

*Over hill . . .
over dale . . .*

Kiski Area Senior High School began its first cross country season with a call for candidates on August 16, 1966 at 10:00 A.M. in the gym. All interested boys were contacted by letter and present at this time. Practice began on August 18, 1966 at 9:00 A.M. and continued every day with the first dual interscholastic competition being with Westinghouse Memorial High School on September 20, 1966.

The Varsity and Junior varsity teams both competed over a home course of 2¼ miles with the team score based on the finish of the first five boys from each school. The team with the lowest score was declared the winner. The varsity team finished the dual season with a record of 3 wins and 4 losses. The Junior varsity had an undefeated season of 6 wins. The Varsity team finished thirteenth in the Tri-State Coaches Invitational meet on September 17, and eighth in the Central District Cross Country Qualifying Meet for the WPIAL Championship. The Junior varsity finished fourth in the Central District Meet at Aliquippa on October 29.

The team was led by captain Richard Kulick and the leading individual runner was Richard White. White finished first in all but two dual meets and eighteenth out of eighty boys in the Central District Qualifying Meet. Seniors on the Varsity were Richard Kulick, James Held, and Richard Chepkevich.

People may wonder why young men like to run distance races. What fun is it? Where's the good of it? It is one of the strange ironies of this strange life that those who work the hardest, who subject themselves to the strictest discipline, who give up certain pleasurable things in order to achieve a goal, are the happiest men. Their lives are fuller because of this competition and their memories will be far richer.

Wrestling with victory

Wrestling Team This year's edition of the Kiski Area *Wrestling Team* consisted of a group of young men who were well-drilled and confident. The experienced wrestlers, Scott Faust, Westmoreland County Champ, Jesse Taylor, Richard DeForno, and Lorin Banks were all big winners during the season. Even though they lost many matches, the wrestlers refused to give up and brought many exciting moments to Kiski Area spectators. Much credit is due this team because they proved that they could win.

How about these clean boys?

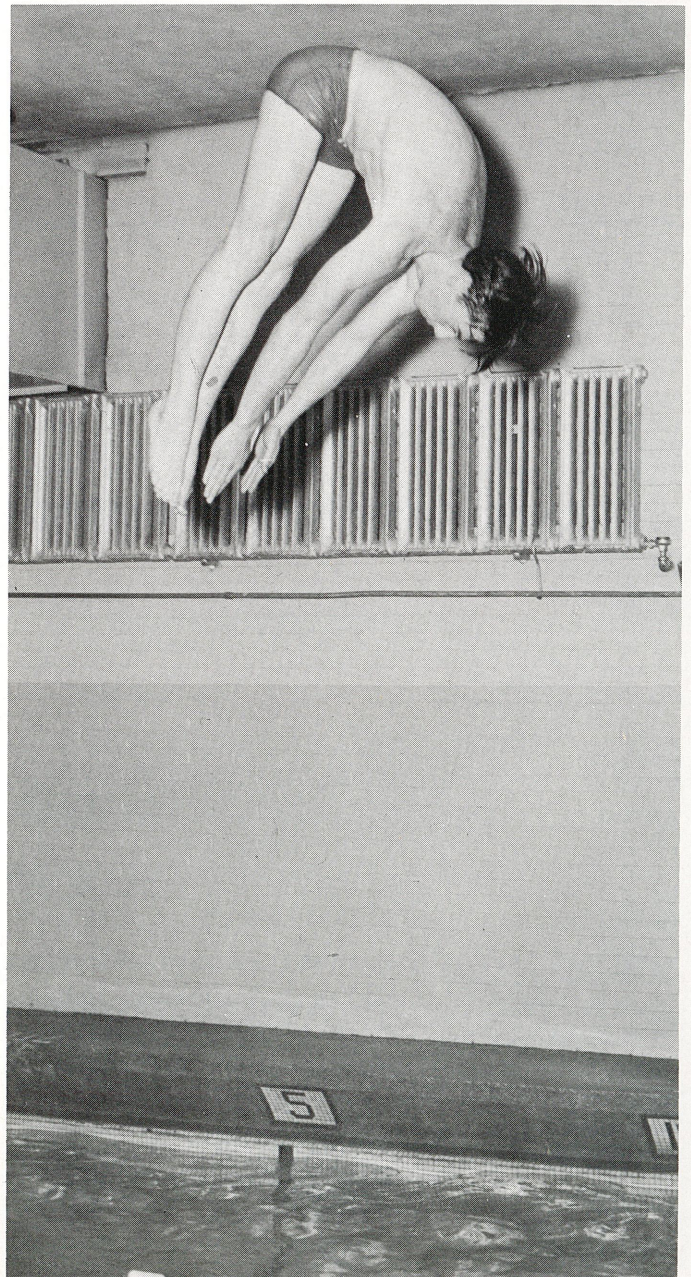

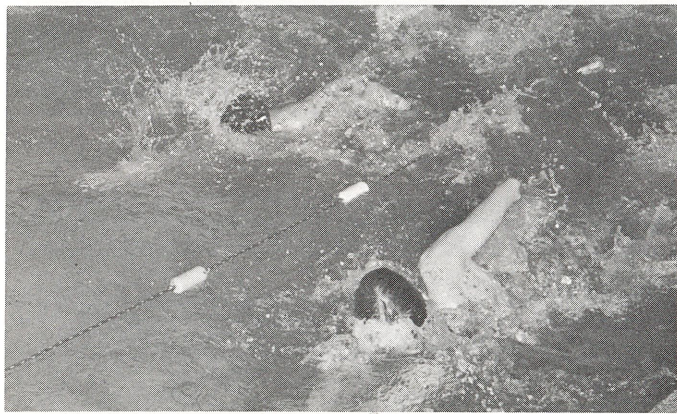

Swimming Team These "clean" boys won recognition for Kiski doing what they liked best—keeping clean by swimming. They plunged in and worked hard to develop a team that could give Kiski its best record ever. Using the Vandergrift Junior High pool as their springboard, they traveled far and wide conquering all (well, almost all) their opponents. With cool determination and appetites whetted for victory, these boys created a fine reputation for Kiski Area wherever they went.

Erasmus wins audience's

affection

Andy Spanoudakis, who portrayed Erasmus in the Senior Class Play, won the hearts of many people. Moving away from the dramatic productions of previous years, the Class of '67 presented a three-act comedy. As Mr. Miller stated, the play appealed to all age groups. The patient guidance of Miss Klingensmith and the diligent rehearsal of the cast attributed to the fine performance.

*OKLAHOMA . . .
where the wind comes
sweeping . . .*

"Out of my dreams . . ." and into reality came the magnificent musical production *Oklahoma*. Spectacular performances were sparked by Dwight Mathews and Mary Jo Rendek. Practicing for four months, the cast and crews received well-deserved recognition from both the student body and outside critics. Without the patient guidance of their directors, Miss Krehlik and Mr. Salvetti, it would have been impossible to receive such lasting success.

*Students find enchantment
in Moonlight*

Oasis

Enchanted by a panorama of the exotic East, Kiski's young couples enjoyed a warm, spring evening of glamour and excitement. During the early weeks of May, under the capable direction of Miss Gregory and through the efforts of hard-working students, the gymnasium was transformed into a tropical paradise of palm trees, dancers, and a magical genie. When the big night arrived, couples danced to the strains of Johnny Costa's orchestra and, later, enjoyed the fine food and entertainment of the After-Prom Party. As the new day dawned, they headed home, leaving only tender memories behind.

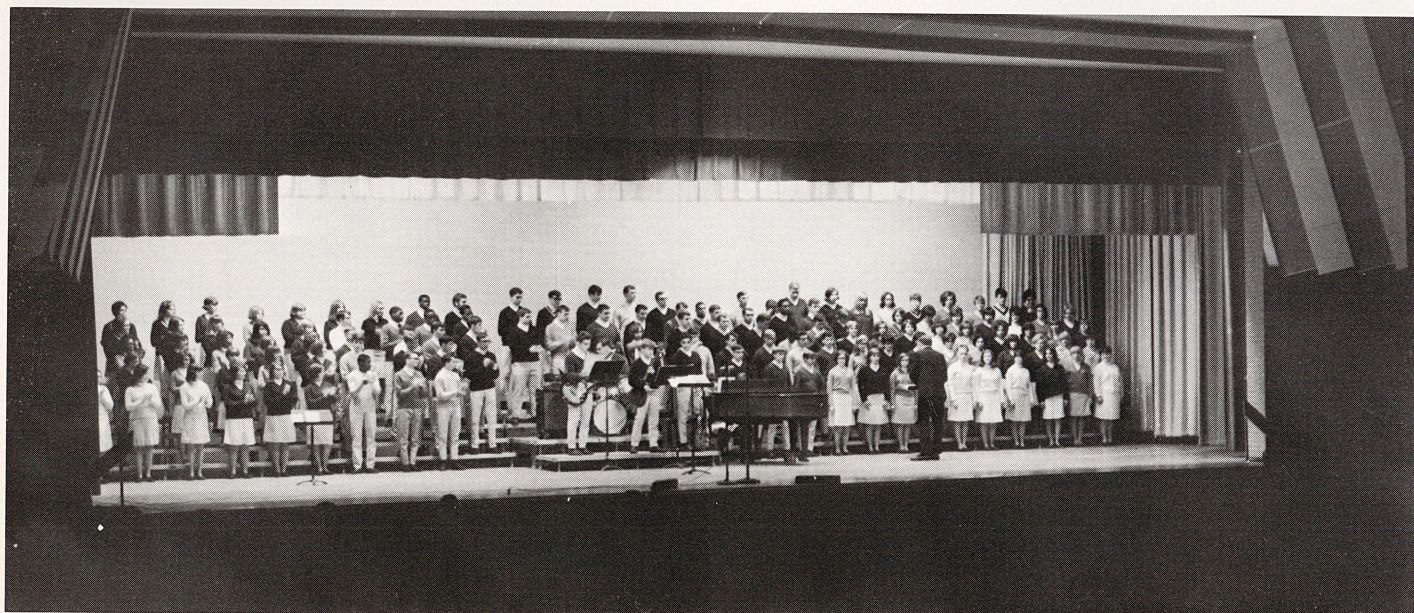

Spring activities terminate exciting year

Critical eyes scan the new *Campus* at Yearbook Banquet.

Courtiers net winning season

Led by captain Harry Heasley, our tennis team ended a successful season with a record of 9 wins and 6 losses. Through the drive and stamina of Coach Morea, the netters greatly improved over the record of the previous year and went on to capture third place in Section 5 of the W.P.I.A.L.

Novices' drive yields success

Enthusiasm was high as members of Kiski's golf team teed off for their first season. Many hours of practice and helpful instruction from Coach Veselicky succeeded in leading our divot takers to second place in W.P.I.A.L. Section 12 play. In addition to this fine record, two of our boys, Don Emerick and Rich Bevan, participated in the W.P.I.A.L. Qualifier at Butler Country Club. The low scores from this Qualifier participated in the W.P.I.A.L. individual championship.

Consistent hitters spark diamondmen

Despite mud, rain, and the chills of a late spring, the Cavalier nine managed to compile a winning record of 18 wins and 7 losses. Leading the team in R.B.I.'s were muscle-bound Larry Linkes and Jerry Kardos, while the most consistent hitter with the highest batting average was Jim Jagodirski. Overall, the team turned in a commendable performance for the season.

"Phenomenal" was the word used by Mr. Dilts to describe our 1967 Cavalier Track Team. As an overall record of 10-wins and 1 loss was attained, members of the team broke many records. Sixth place in the Indiana Invitational meet and second place in both the W.P.I.A.L. Class A Qualifier and Westmoreland County Track and Field Championship meets were credits to the team as well as their coach, Mr. Halli. Individual performances by such athletes as two-miler Rich White, hurdler Bob Walker, who participated in the P.I.A.A. State meet, and Ron Booker who won first place in the total number of individual points at the Westmoreland County Track Meet showed that this track team was the finest ever organized at Kiski.

*Memories echo . . .
Footsteps fade*

“ . . . With the power invested in me by the Kiski Area Board of Directors and the Commonwealth of Pennsylvania, I now pronounce the members of the Class of 1967 as graduates of Kiski Area . . . ”

As Mr. James R. Daniels, Superintendent of Kiski Area Schools iterated these words, the Class of '67 experienced feelings of mixed emotions. After twelve long years of study, work, and preparation, they had now reached the culmination of their high school career—*graduation*. To-day they were commencing a new life in a cruel, cold world. The Class of '67 would now have the opportunity to exemplify the poise and moral character they had developed through the years. Even though they will journey to all parts of the world and enter all walks of life, they will forever remain a part of this “great” class—the Class of 1967.

*There is nothing
more difficult . . .*

*. . . than to take the
lead in the
introduction of a new
order of things.*
